(Performing Arts)

Notes Oct 24 2021

My Struggle for Peace Jul 09 2020 My Struggle for Peace is a remarkable political document offering insights into the complex workings of the young Israeli political system, set against the backdrop of the disintegration of the country's fragile armistice with the Arab states. Replete with the diarist's candid comments on Israel's first generation leaders and world statesmen of the day, the diary also tells the dramatic human story of a political career cut short—the removal of an unusually sensitive, dedicated, and talented public servant. My Struggle for Peace is, above all, an intimate record of the decline of Moshe Sharett's moderate approach and the rise of more "activist-militant" trends in Israeli society, culminating in the Suez/Sinai war of 1956. The diary challenges the popular narrative that Israel's confrontation with its neighbors was unavoidable by offering daily evidence of Sharett's statesmanship, moderation, diplomacy, and concern for Israel's place in international affairs. This is the first volume in the long-awaited 3-volume English abridgement of Sharett's Yoman Ishi [Personal diary] (Ma'ariv, 1978) maintains the integrity, flavor, and impact of the 8-volume Hebrew original and includes additional documentary material that was not accessible at the time. The volumes are also available to purchase as a set or individually. 3-volume set (1953-1956):

http://www.iupress.indiana.edu/product_info.php?products_id=809721 Volume 2 (1955): http://www.iupress.indiana.edu/product_info.php?products_id=809455 Volume 3 (1956):

The Cambridge Companion to Saul Bellow Jan 27 2022 This book demonstrates the complexity of Bellow's work by emphasizing the ways in which it reflects the changing conditions of American identity.

Music Fundamentals Jun 27 2019 Music Fundamentals: A Balanced Approach, Second Edition comprises a textbook/workbook and interactive website designed for those who want to learn the basics of reading music. Intended for students with little or no prior knowledge of music theory, it offers a patient approach for reading, writing and even performing music. Musical examples range from Elvis Presley songs to Beethoven symphonies, from rhythmically challenging African songs and syncopated Brazilian choro melodies, to humorous Filipino ballads and Schubert lieder. The website includes graded quizzes and numerous skill training exercises. By reinforcing musical concepts with numerous written examples, offering a more balanced mixture of global, classical, and popular music, and encouraging practice through an online, interactive tutorial, Music Fundamentals: A Balanced Approach, Second Edition is a comprehensive textbook for building musical foundations. Second Edition Features: Modular structure allows instructors to reorganize chapters. A variety of exercises help the student transform knowledge into practice: Listen and sing exercises for ear training Keyboard drills to be played on a real keyboard or piano, or the keyboard insert provided in the inside cover Clapping and counting exercises to ingrain a cerebral understand, but also a visceral feeling for pulse and rhythm Workbook review exercises at the end of each module facilitate progress to the next module. "Cultural Notes" discuss musical genres or place musical examples in a broader social context to give an enriched approach to music learning. Online tutorials assist with ear training and general concepts, and streaming of audio examples help to connect the study of theory to real music-making. The website features student interactive tutorials, and an Instructor Manual supplements teaching with a wealth of classroom exercises.

Daniels' Orchestral Music Feb 02 2020 Daniels' Orchestral Music is the gold standard reference for conductors, music programmers, librarians, and any other music professional researching an orchestral program. This sixth edition, celebrating the fiftieth anniversary of the original work, includes over 14,000 entries with a vast number of new listings and updates.

Library of Congress Catalog Aug 10 2020 A cumulative list of works represented by Library of Congress printed cards.

Concerto Al-Quds Mar 29 2022 A cri de coeur or fully imagined poem on the myth and history of Jerusalem/Al-Quds from the author revered as the greatest living Arabic poet At the age of eighty-six, Adonis, an Arabic poet with Syrian origins, a critic, an essayist, and a devoted secularist, has come out of retirement to pen an extended, innovative poem on Jerusalem/Al-Quds. It is a hymn to a troubled city embattled by the conflicting demands of Jews, Christians, and Muslims. Adonis's city, as a coveted land, ought to suggest the universal love of humanity; as a land of tragedy, a place of contending history and beliefs, and a locus of bitterness, conflict, hatred, rivalry, and blood. Wrapping multiple voices, historical references, and political viewpoints within his ecstatic lyricism, Adonis has created a provocative work of unique beauty and profound wisdom, beautifully rendered in English by award-winning poet Khaled Mattawa.

Percussive Notes Oct 04 2022

Israel Denial Dec 26 2021 Israel Denial is the first book to offer detailed analyses of the work faculty members have published—individually and collectively—in support of the Boycott, Divestment, and Sanctions (BDS) movement; it contrasts their claims with options for promoting peace. The faculty discussed here have devoted a significant part of their professional lives to delegitimizing the Jewish state. While there are beliefs they hold in common—including the conviction that there is nothing good to say about Israel—they also develop distinctive arguments designed to recruit converts to their cause in novel ways. They do so both as writers and as teachers; Israel Denial is the first to give substantial attention to anti-Zionist pedagogy. No effort to understand the BDS movement's impact on the academy and public policy can be complete without the kind of understanding this book offers. A co-publication of the Academic Engagement Network

Concertino in D in the Style of Mozart Apr 05 2020 (Music Sales America). Hans M. Millies' Concertino in D in the Style of Mozart covers the 1st position only.

Cello Music Since 1960 Sep 22 2021 This guide lists more than 5,200 works for the solo cellist written by 3,100 composers over the past thirty years. Entries give information on the date of composition, duration, publisher or source, first performances, and recordings, instrumentation, new performance techniques used, and degree of difficulty. Indexed by composers and cellists.

Jewish Contiguities and the Soundtrack of Israeli History May 31 2022 Jewish Contiguities and the Soundtrack of Israeli History revolutionizes the study of modern Israeli art music by tracking the surprising itineraries of Jewish art music in the move from Europe to Mandatory Palestine and Israel. Leaving behind clichés about East and West, Arab and Jew, this book provocatively exposes the legacies of European antisemitism and religious Judaism in the making of Israeli art music. Shelleg introduces the reader to various aesthetic dilemmas involved in the emergence of modern Jewish art music, ranging from auto-exoticism through the hues of self-hatred to the disarticulation of Jewish musical markers. He then considers part of this music's translocation to Mandatory Palestine, studying its discourse with Hebrew culture, and composers' grappling with modern and Zionist images of the self. Unlike previous efforts in the field, Shelleg unearths the mechanism of what he calls "Zionist musical onomatopoeias," but more importantly their dilution by the non-western Arab Jewish oral musical traditions (the same traditions Hebrew culture sought to westernize and secularize). And what had begun with composers' movement towards the musical properties of non-western Jewish musical traditions grew in the 60s and 70s to a dialectical return to exilic Jewish cultures. In the aftermath of the Six-Day War, which reaffirmed Zionism's redemptive and expansionist messages, Israeli composers (re)embraced precisely the exilic Jewish music that emphasized Judaism's syncretic qualities rather than its territorial characteristics. In the 70s, therefore, while religious Zionist circles translated theology into politics and territorial maximalism, Israeli composers deterritorialized the national discourse by a growing return to the spaces shared by Jews and non-Jews, devoid of Zionist appropriations.

Eagle Minds Jan 03 2020 Eagle Minds—a selection from the correspondence between the Canadian composer and scholar Istvan Anhalt and his American counterpart George Rochberg—is a splendid chronicle and a penetrating analysis of the swerving socio-cultural movements of a volatile half-century as observed by two highly gifted individuals. Beginning in 1961 and spanning forty-four years, their conversation embraces not only music but other forms of contemporary art, as well as politics, philosophy, religion, and mysticism. The letters chronicle the deepening of their friendship over the years, and the openness, honesty, and genuine warmth between them provide the reader with an intimate look at their personalities. A fascinating intellectual tension emerges between the two men as they record their individual responses to musical modernism, to changing political and social realities, and to their Jewish heritage and sense of place, one as a son of Ukrainian immigrants to the United States, the other as a refugee from war-torn Hungary. Allowing us a privileged glimpse into the private lives and thoughts of these fascinating men, Eagle Minds is a valuable tool for scholars interested in North American composers in the late twentieth century and essential reading for anyone interested in the cultural and social history of that era.

The Menagerie Nov 05 2022 The Menagerie is a book based on different stories. These stories cover many periods of our history, from a seventeenth century violin maker in Italy to a petty thief out of his league in modern times. They are human stories about people caught at critical moments in their lives; a Swedish estate agent at the turn of the century, a young wife running away with a German prisoner at the end of the war, a farmer having an affair with his help in the fifties, a Bosnian Croat soldier on Millennium Eve, a young girl from a high rise staying at the sea side while her mother has treatment for cancer, a postman over run by abandoned animals to a hospital porter adopting a corpse, each has a story to tell. The secret of this book is the description of people, gestures, actions, things. Their being is so defined it immerses the reader in the stories, letting him personify the characters himself. They give a vivid picture of human life. Clare L. Roberts lives in South West France. She was born in Manchester and has lived in different parts of England and the world. She studied Art, Drama and Education at Cheshire College, got a First-Class Honour's Degree in English Literature at the University of Western Australia with an extra year studying Ancient History, Psychology and French. She returned to England to study Shakespeare and His Contemporaries, as a postgraduate at the University of Oxford. She taught at Chipping Norton Comprehensive School then Taunton Public School and finally at a boys Grammar School in Gloucester. She helped to set up a trout farm near Cheltenham and got the M. A. in Writing from Warwick University. She has written novels, plays films and short stories. Her novel Betrayal is in bookshops and online now. She is currently writing the stories of Shakespeare's plays with personal introductions.

Twenty Israeli Composers Sep 03 2022 Twenty of Israel's leading art-music composers discuss the interaction of inspiration, method and cultural context in their work, revealing both international and national influence and scope.

Studies in Contemporary Jewry Aug 02 2022 This volume examines music's place in the process of Jewish assimilation into the modern European bourgeoisie and the role assigned to music in forging a new Jewish Israeli national identity, in maintaining a separate Sephardic identity, and in preserving a traditional Jewish life. Contributions include "On the Jewish Presence in Nineteenth Century European Musical Life," by Ezra Mendelsohn, "Musical Life in the Central European Jewish Village," by Philip V. Bohlman, "Jews and Hungarians in Modern Hungarian Musical Culture," by Judit Frigyesi, "New Directions in the Music of the Sephardic Jews," by Edwin Seroussi, "The Eretz Israeli Song and the Jewish National Fund," by Natan Shahar, "Alexander U. Boskovitch and the Quest for an Israeli Musical Style," by Jehosh Hirshberg, and "Music of Holy Argument," by Lionel Wolberger. The volume also contains essays, book reviews, and a list of recent dissertations in the field.

Notes for Clarinetists Apr 29 2022 Notes for Clarinetists: A Guide to the Repertoire offers important historical and analytical information about thirty-five of the best-known pieces written for the instrument. Numerous contextual and theoretical insights make it an essential resource for professional, amateur, and student clarinetists. With engaging prose supported by fact-filled analytical charts, the book offers rich biographical information and informative analyses to help clarinetists gain a more complete understanding of Three Pieces for Clarinet Solo by Igor Stravinsky, Aaron Copland's Concerto for Clarinet, String Orchestra, Harp, and Piano, Robert Schumann's Fantasy Pieces for Clarinet and Piano, Op. 73. and Time Pieces for Clarinet and Piano, Op. 43. by Robert Muczynski, among many others. With close attention to matters of context, style, and harmonic and formal analysis, Albert Rice explores a significant portion of the repertoire, and offers a faithful and comprehensive guide that includes works by Boulez, Brahms, and Mozart to Hindemith, Poulenc, and Stamitz. Rice includes biographical information on each composer and highlights history's impact on the creation and performance of important works for clarinet. Intended as a starting point for connecting performance studies with scholarship, Rice's analysis will help clarinetists gain a more complete picture of a given work. Its valuable insights make it essential to musicians preparing and presenting programs, and its detailed historical information about the work and composer will encourage readers to explore other works in a similarly analytical way. Covering concertos, chamber pieces, and works for solo clarinet, Rice presents Notes for Clarinetists as an indispensable handbook for students and professionals alike.
