The Diary of a Young Girl Dec 23 2021 THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize–winner Nadia Murad “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Snow Place Like Home (Diary of an Ice Princess #1) Apr 26 2022 A brand new, fun filled chapter book series that answers the question: What if Frozen's Elsa went to regular school? Princess Lina has a life any kid would envy. She lives in a massive palace in the clouds. Everyone in her family has the power to control the wind and weather. On a good day, she can even fly! She loves making lemons into lemon ice, riding wind gusts around the sky, and turning her bedroom into a real life snow globe. There's just one thing Lina wants: to go to regular, non-magical school with her best friend Claudia. She promises to keep the icy family secret under wraps. What could go wrong? (EVERYTHING!)

The Diary of Robert Woodford, 1637-1641 Jul 18 2021 " ... from the writings of an early modern nobody emerges a compelling study of the puritan psyche and way of life. Woodford's noteworthiness lies in the sheer consistency of his outlook. Every aspect of experience -- from thoughts and feelings to the operation of the cosmos -- was scrutinized through the same lens of experimental predestinarianism. His Calvinist worldview centred on the belief in an omnipotent and omniscient creator, whose will dictated the history of the universe. Woodford apparently supported the full supralapsarian position on predestination: God had determined mankind's fate before the creation, for purely His own reasons condemning the majority to hell and electing a minority to heaven. Godly professors such as Woodford insisted on the possibility of achieving assurance of their elect status during life."--P. 11.

In the Arms of Family Jan 12 2021 Adrian Ring and evil don't get along. The Great Depression: A Diary May 04 2020 When the stock market crashed in 1929, Benjamin Roth was a young lawyer in Youngstown, Ohio. After he began to grasp the magnitude of what had happened to American economic life, he decided to set down his impressions in his diary. This collection of those entries reveals another side of the Great Depression—one lived through by ordinary, middle-class Americans, who on a daily basis grappled with a swiftly changing economy coupled with anxiety about the unknown future. Roth's depiction of life in time of widespread foreclosures, a schizophrenic stock market, political unrest and mass unemployment seem to speak directly to readers today.
