Layla's Happiness Jul 08 2020 Spirited, kind and alive with wonder, Layla is a child who's been given room to grow and already her experience of happiness is thoughtful and deep. It's her dad when he talks about growing up in South Carolina. Her mom when she reads poetry. The community garden, where she can plant a tomato seed and watch it grow. It's her best friend Juan and his parents laughing after a dance beneath the magnolia trees. This is happiness for Layla. What is happiness for you? Written by poet Mariahadessa Ekere Tallie and illustrated by Ashleigh Corrin, this is a story of flourishing within family and community.

Near the Bone Sep 02 2022 A woman trapped on a mountain attempts to survive more than one kind of monster, in a dread-inducing horror novel from the national bestselling author Christina Henry. Mattie can't remember a time before she and William lived alone on a mountain together. She must never make him upset. But when Mattie discovers the mutilated body of a fox in the woods, she realizes that they're not alone after all. There's something in the woods that wasn't there before, something that makes strange cries in the night, something with sharp teeth and claws. When three strangers appear on the mountaintop looking for the creature in the woods, Mattie knows their presence will anger William. Terrible things happen when William is angry.

Love in the Library Jun 30 2022 Based on a true story of love and resilience at the Minidoka incarceration camp.

Hell-Bent For Music Oct 11 2020 Pee Wee King's birth on February 18, 1914, into a Milwaukee working-class Polish family named Kuczynski was hardly an indicator that he would grow up to become a pioneer and superstar of country and western music. Certainly no one in the Polish-German community of his youth could have foreseen his influence on the direction of American popular music or his enduring fame on the stage of the Grand Ole Opry. Even Pee Wee King himself is incredulous at the unlikely twists and turns of his life and career. Pee Wee King is best remembered today as the co-writer of the most popular country music song of all time, The Tennessee Waltz. He is just as important, however, for his vital role in expanding the horizons, and the market potential, of country and western music. He took the polka and waltz rhythms of his youth, mixed them with the sounds of the big bands of the thirties and forties, and flavored it all with the balladry and moods of the Western cowboy. He combined this new sound with folk and country traditions rooted in places like Louisville, Knoxville, and Nashville. The result was a smooth, listenable, danceable, up-to-date sound that has become the most popular form of music in the United States. Recipient of numerous awards, including induction into both the Songwriters Hall of Fame and the Country Music Hall of Fame, Pee Wee King has been one of the most important figures in country music for over sixty years. Told in King's own voice and words, this biography, based on many hours of taped conversations, is the first account of King's incredible life and career.

Featuring a star-studded cast of characters from the history of music—Eddy Arnold, Minnie Pearl, Roy Acuff, Hank Williams, Gene Autry, Patti Page, and many others—this memorable book is a must-read for any fan of country music.

Proceedings at the Dedication of the Building for the Public Library of the City of Boston Sep 09 2020

The Public Library Director's Toolkit Aug 01 2022 New public library directors quickly learn what seasoned directors already know: running a library means you've always got your hands full—balancing the needs of staff, patrons, facilities, library boards, and other stakeholders with professional responsibilities like community interactions, legal and financial requirements, and whole lot else that wasn't exactly in the job description. Whether you are considering becoming a public library director, are brand new to the role, or have settled in but find yourself thinking “there's got to be a better way,” authors Hall and Parker are here to help. This book walks you through the core components of getting up to speed and then provides templates, sample documents, checklists, and other resources that will make your job easier. Gleaned from their own decades of experience in library leadership positions, in this toolkit they - cover such key topics as employees, trustees, finances, legal issues, library policies, emergency planning, and technology; - discuss strategic planning and share advice on keeping up with trends; - offer nearly two dozen ready-to-use resources, including a Director's Report Template, a Social Media Policy, an Employee Exit Questionnaire, a Library Cleaning Checklist, a Vision Statement worksheet, and more; and - suggest additional learning opportunities in each chapter to help you continue your learning journey. Public library directors can steer clear of common pain points by relying on the expert guidance and organizational aids in this toolkit.

Beyond Innocence Aug 28 2019 A deeply reported, gripping narrative of injustice, exoneration, and the lifelong impact of incarceration, *Beyond Innocence* is the poignant saga of one remarkable life that sheds vitally important light on the realities of the American justice system at every level. In June 1985, a young Black man in Winston-Salem, N.C. named Darryl Hunt was falsely convicted and sentenced to life in prison for the rape and murder of a white copyeditor at the local paper. Many in the community believed him innocent and crusaded endlessly for his release even as two subsequent trials reinforced his sentence. Finally, in 2003, the tireless efforts of his attorney combined with an award-winning series of articles by Phoebe Zerwick in the *Winston-Salem Journal* led to the DNA evidence that exonerated Hunt. Three years later, the acclaimed documentary, *The Trials of Darryl Hunt*, made him known across the country and brought his story to audiences around the world. But Hunt's story was far from over. As Zerwick poignantly reveals, it is singularly significant in the annals of the miscarriage of justice. Part true crime drama, part chronicle of a remarkable life cut short by systemic prejudice, *Beyond Innocence* powerfully illuminates the sustained catastrophe faced by an innocent person in prison and the civil death nearly everyone who has been incarcerated experiences attempting to restart their lives. Freed after nineteen years behind bars, Darryl Hunt became a national advocate for justice and a beacon of hope for so many--until he could bear the burden no longer and took his own life. Fluidly crafted by a master journalist, *Beyond Innocence* makes an urgent moral call for an American reckoning with the legacies of racism in the criminal legal system and the human toll of the carceral state.

The Library Book Apr 16 2021 Susan Orlean's bestseller and *New York Times* Notable Book is “a sheer delight...as rich in insight and as varied as the treasures contained on the shelves in any local library” (*USA TODAY*)—a dazzling love letter to a beloved institution and an investigation into one of its greatest mysteries. “Everybody who loves books should check out *The Library Book*” (*The Washington Post*). On the morning of April 28, 1986, a fire alarm sounded in the Los Angeles Public Library. The fire was disastrous: it reached two thousand degrees and burned for more than seven hours. By the time it was extinguished, it had consumed four hundred thousand books and damaged seven hundred thousand more. Investigators descended on the scene, but more than thirty years later, the mystery remains: Did someone purposefully set fire to the library—and if so, who? Weaving her lifelong love of books and reading into an investigation of the fire, award-winning *New Yorker* reporter and *New York Times* bestselling author Susan Orlean delivers a “delightful...reflection on the past, present, and future of libraries in America” (*New York magazine*) that manages to tell the broader story of libraries and librarians in a way that has never been done before. In the “exquisitely written, consistently entertaining” (*The New York Times*) *The Library Book*, Orlean chronicles the LAPL fire and its aftermath to showcase the larger, crucial role that libraries play in our lives; delves into the evolution of libraries; brings each department of the library to vivid life; studies arson and attempts to burn a copy of a book herself; and reexamines the case of Harry Peak, the blond-haired actor long suspected of setting fire to the LAPL more than thirty years ago. “A book lover's dream...an ambitiously researched, elegantly written book that serves as a portal into a place of history, drama, culture, and stories” (*Star Tribune, Minneapolis*), Susan Orlean's thrilling journey through the stacks reveals how these beloved institutions provide much more than just books—and why they remain an essential part of the heart, mind, and soul of our country.

The Old Town Hall Library of Leicester Mar 04 2020 This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

The Beginning and the End of the Best Library Service in the World Jul 28 2019

100 Things We've Lost to the Internet Feb 24 2022 The acclaimed editor of The New York Times Book Review takes readers on a nostalgic tour of the pre-Internet age, offering powerful insights into both the profound and the seemingly trivial things we've lost. NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY CHICAGO TRIBUNE AND THE DALLAS MORNING NEWS • “A deft blend of nostalgia, humor and devastating insights.”—People Remember all those ingrained habits, cherished ideas, beloved objects, and stubborn preferences from the pre-Internet age? They’re gone. To some of those things we can say good riddance. But many we miss terribly. Whatever our emotional response to this departed realm, we are faced with the fact that nearly every aspect of modern life now takes place in filtered, isolated corners of cyberspace—a space that has slowly subsumed our physical habitats, replacing or transforming the office, our local library, a favorite bar, the movie theater, and the coffee shop where people met one another’s gaze from across the room. Even as we’ve gained the ability to gather without leaving our house, many of the fundamentally human experiences that have sustained us have disappeared. In one hundred glimpses of that pre-Internet world, Pamela Paul, editor of The New York Times Book Review, presents a captivating record, enlivened with illustrations, of the world before cyberspace—from voicemails to blind dates to punctuation to civility. There are the small losses: postcards, the blessings of an adolescence largely spared of documentation, the Rolodex, and the genuine surprises at high school reunions. But there are larger repercussions, too: weaker memories, the inability to entertain oneself, and the utter demolition of privacy. *100 Things We’ve Lost to the Internet* is at once an evocative swan song for a disappearing era and, perhaps, a guide to reclaiming just a little bit more of the world IRL.

The Journey Is a Gift Your Identity Revealed Jun 26 2019 A true masterpiece presented to the world directly from the throne of God, *The Journey is a Gift, Your Identity Revealed* enlightens the pathway of one woman's journey through life. With each pre-destined step of her journey, more of who she is becomes more evident. It is a clear testimony that cycles of setbacks and setups did not disqualify her from her true Promised Land. Instead, it catapulted her into the life that had been ordained exclusively for her. Why? Because the journey was and is truly a GIFT!

Klee Aug 21 2021 An introduction to the work of Paul Klee.

The Tenant of Wildfell Hall Nov 11 2020 Compelling in its imaginative power and bold naturalism, the novel opens in the autumn of 1812, when a mysterious woman who calls herself Helen Graham seeks refuge at the desolate moorland mansion of Wildfell Hall. Bronte's enigmatic heroine becomes the object of gossip and jealousy as neighbors learn she is escaping from an abusive marriage and living under an assumed name. A daring story that exposed the dark brutality of Victorian chauvinism, *The Tenant of Wildfell Hall* was nevertheless attacked by some critics as a celebration of the same excesses it criticized. This edition of *The Tenant of Wildfell Hall* is the companion volume to the Mobil Masterpiece Theatre WGBH television presentation broadcast on PBS.

Baby Steps Millionaires Oct 23 2021 You Can Baby Step Your Way to Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That's when he set out to learn God's ways of managing money and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In *Baby Steps Millionaires*, you will . . . *Take a deeper look at Baby Step 4 to learn how Dave invests and builds wealth *Learn how to bust through the barriers preventing them from becoming a millionaire *Hear true stories from ordinary people who dug themselves out of debt and built wealth *Discover how anyone can become a millionaire, especially you *Baby Steps Millionaires* isn't a book that tells the secrets of the rich. It doesn't teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is straightforward, practical, and maybe even a little boring. But the life you'll lead if you follow the Baby Steps is anything but boring! You don't need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it's game on!

Crown Hall, IIT, Chicago, Illinois, U.S.A., 1952-56 Apr 04 2020
