You Can Never Tell Dec 13 2020 Perfect for fans of Liane Moriarty and Joshilyn Jackson, Sarah Warburton's chilling thriller, inspired by the Moors Murders, explores the twisted side of suburbia. Framed for embezzlement by her best friend Aimee, museum curator Kacy Tremain and her husband Michael move from New Jersey to a charming Texas suburb to escape their past. Kacy quickly makes new friends--preppy, inscrutable Elizabeth, chatty yet evasive Rahmia, and red-headed, unapologetic Lena. But good friends aren't always what they seem. As she navigates the unexpectedly cutthroat social scene of her new town, Kacy begins to receive taunting postcards--and worse, discovers cameras hidden in the wall of her home. Lena and her husband, Brady, reassure her that the cameras are just relics of the paranoid previous homeowner. Once the cameras are removed and Kacy's fears are quelled, Kacy and Michael make the happy discovery that they are going to be new parents. Months after the birth of their daughter, Michael accidentally makes a shocking discovery about Brady's past. And when Lena suddenly goes missing, Kacy and Michael begin to uncover the truth about their neighbors--and it's more terrible than anyone could have imagined. Interlaced with transcripts of a chilling "true crime" podcast that follow the tangled threads of the drama, *You Can Never Tell* is a taut and complex psychological thriller that never lets up until its breathless conclusion.

It Ends with Us Dec 01 2019 In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

Allegedly Jul 08 2020 4 starred reviews! Orange Is the New Black meets Walter Dean Myer's *Monster* in this gritty, twisty, and haunting debut by Tiffany D. Jackson about a girl convicted of murder seeking the truth while surviving life in a group home. Mary B. Addison killed a baby. Allegedly. She didn't say much in that first interview with detectives, and the media filled in the only blanks that mattered: a white baby had died while under the care of a churchgoing black woman and her nine-year-old daughter. The public convicted Mary and the jury made it official. But did she do it? There wasn't a point to setting the record straight before, but now she's got Ted—and their unborn child—to think about. When the state threatens to take her baby, Mary's fate now lies in the hands of the one person she distrusts the most: her Momma. No one knows the real Momma. But does anyone know the real Mary?

It whistles down cobbled streets and rustles the jacaranda trees before slipping into the window of an eleven-year-old girl named Clara. Unbeknownst to her, Clara has been marked for la Lotería. Life and Death deal the Lotería cards but once a year, and the stakes could not be higher. Every card reveals a new twist in Clara's fate—a scorpion, an arrow, a blood-red rose. If Life wins, Clara will live to a ripe old age. If Death prevails, she'll flicker out like a candle. But Clara knows none of this. All she knows is that her young cousin Esteban has vanished, and she'll do whatever it takes to save him, traveling to the mythical Kingdom of Las Pozas, where every action has a price, and every choice has consequences. And though it seems her fate is sealed, Clara just might have what it takes to shatter the game and choose a new path. So the next time you find yourself wearing fuzzy bunny pajamas in the school carpool line or accidentally stuck at a co-worker's swingers party, just think, What would Jen Mann do? Or better yet, buy her book. Praise for *People I Want to Punch in the Throat* "People I Want to Punch in the Throat is so good that it'll make you want to adopt all the cats in the world. I'm not sure about the correlation, but it's that good. It should come with a warning."—Jenny Lawson, author of *Let's Pretend This Never Happened* "Jen Mann has an amazing way of telling stories that will make you cringe and burst out laughing at the same time. Spending the Holidays with People I Want to Punch in the Throat Jun 26 2019 For fans of Laurie Notaro and Jenny Lawson comes an uproarious and oddly endearing essay collection for anyone trying to survive the holidays in one piece. When it comes to time-honored holiday traditions, Jen Mann pulls no punches In this hilariously irreverent collection of essays, Jen Mann, nationally bestselling author of *People I Want to Punch in the Throat*, turns her mordant wit on the holidays. On Mann's naughty list: mothers who go way overboard with their Elf on the Shelf, overzealous carolers who can't take a hint, and people who write their Christmas cards in the third person ("Joyce is enjoying Bunko. Yeah, Joyce, we know you wrote this letter."). And on her nice list . . . well, she's working on that one. Here, no celebration is off-limits. The essays include: • You Can Keep Your Cookies, I'm Just Here for the Booze • Nice Halloween Costume. Was Skank Sold Out? • Why You Won't Be Invited to Our Chinese New Year Party From hosting an ill-fated Chinese New Year party, to receiving horrible gifts from her husband on Mother's Day, to reluctantly telling her son the truth about the Easter Bunny, Mann knows the challenge of navigating the holidays while keeping her sanity intact. And even if she can't get out of attending another Christmas cookie exchange, at least she can try again next year. Praise for *Spending the Holidays with People I Want to Punch in the Throat* "Mann's writing has transcended from witty anecdotes and complaints to notable satire. Hidden among the many laugh-out-loud zingers are lessons on how we relate to each other, and how ridiculous parenting culture has

become.”—Associated Press “Following the success of her first book, she is now punching throats at holidays, starting from her being age two and continuing to the present, where she is a harried mother bemoaning not just Christmas but all holidays. . . . Harried holiday haters will chuckle and perhaps see themselves somewhere in Mann’s lifetime dislike of and misbehavior during America’s increasingly commercialized celebrations.”—Booklist “The cure for my cold holiday spirit this year is the sidesplitting new book by Jen Mann. . . . Mann delivers her signature punch lines and sharp critique on the oftentimes ridiculous shenanigans of the modern family. Her ability to make an otherwise boring subject come alive with colorful personalities, biting sarcasm, and impressively astute observations on suburban culture is what makes Mann so much fun to read and so easy to relate to.”—The Huffington Post “A lighthearted, laugh-out-loud book . . . with a feel of peeking into a diary.”—Mommy’s Memorandum “It really does make you laugh out loud.”—Shooting Stars Mag “A quick and delightful read that you can sneak in right before bed or when the kids are finally napping.”—FangirlNation “Grab a cup of hot cocoa, sit back and enjoy Jen’s latest collection of humorous rants dissecting the ‘most wonderful time’ of the year. She unleashes her biting wit and hilarious opinions on everything from cookie exchanges to annual humblebrag Christmas letters from overachieving moms to horrifying Christmases of her childhood.”—Creating Serenity “[Mann] has really mastered the short story format. . . . She packs the maximum amount of funny into the fewest words, and many of these essays are downright hilarious. . . . If you’ve read and liked her other books, you will definitely want to read this one, too.”—Bug Bug Book Reviews

Lose Well Apr 28 2022 A laugh-out-loud, kick-in-the-pants self-help narrative for anyone who ever felt like they didn’t fit in or couldn’t catch a break—comedian and cult hero Chris Gethard shows us how to get over our fear of failure and start living life on our own terms. Let’s face it: we all want a seat at the cool table, a great job, and loads of money. But most of us won’t be able to achieve this widely accepted, black-or-white, definition of winning, which makes us feel like failures, that we’re destined to a life of loserdom. That’s the conventional wisdom. It’s also crap, according to comedian and cult hero Chris Gethard, who knows a thing or two about losing. Failing is an art form, he argues; in fact, it’s the only way we’re ever going to discover who we are, what we really want, and how to live the kind of life we only dreamed about. Setting flame to vision boards and tossing out the “seven simple steps” to achieving anything, the host of the eponymous *Trutv* talk show and the wildly popular podcast *Beautiful Stories from Anonymous People* illustrates his personal and professional manifesto with hilarious and ultimately empowering stories about his own set-backs, missteps, and public failures, from the cancellation of his Comedy Central sitcom after seven episodes to rediscovering his comedic voice and life’s purpose on a public access channel. With his trademark wit and inspiring storytelling—a cross between David Sedaris and Jenny Lawson—Gethard teaches us how to power through our own hero’s journey, whether we’re a fifteen-year-old starting a punk band or a fifty-year-old mother of three launching an Etsy page. In the process, he shows us how to fail with grace, laugh on the way down, and as we dust ourselves off, how to transform inevitable failures into endless opportunities. It might get a little messy, but that’s exactly the point. Because the first step in living on your own terms is learning how to lose well, and more often than not, the revolutionary act of failing lets us witness firsthand what awaits us on the other side.

Waiting for the Punch Feb 24 2022 "Public figures as you rarely if ever hear them: strikingly personal, surprisingly open, and profoundly emotional." — Entertainment Weekly "I'm British, so I'm medically dead inside, but even I can't help but open up whenever I talk to Marc. He uses his honesty like a scalpel, cutting himself open in front of anyone he's talking to, and in doing so, invites you to do the same." —John Oliver From the beloved and wildly popular podcast WTF with Marc Maron comes a book of intimate, hilarious and life changing conversations with some of the funniest, and most important people in the world like you've never heard them before. *Waiting for the Punch* features the stories and thoughts of such luminaries as Amy Schumer, Mel Brooks, Will Ferrell, Amy Poehler, Sir Ian McKellen, Lorne Michels, Judd Apatow, Lena Dunham, Jimmy Fallon, RuPaul, Louis CK, David Sedaris, Bruce Springsteen, and President Obama. This book is not simply a collection of these interviews, but instead something more wondrous: a running narrative of the world's most recognizable names working through the problems, doubts, joys, triumphs, and failures we all experience. With each chapter covering a different topic: parenting, childhood, relationships, sexuality, success, failures and others, *Punch* becomes a sort of everyman's guide to life. Barack Obama candidly discusses the challenges of the presidency, and the bittersweet moments of seeing your children grow up. Amy Schumer recounts the pain of her parents' divorce. Molly Shannon uproariously remembers the time she and her best friend hopped a plane from Ohio to New York City when they were twelve on a dare. Amy Poehler dishes on why just because you become a parent doesn't mean you have to like anybody else's kids but your own. Bruce Springsteen expounds on the dual nature of desperation to both motivate and devastate. Full of stories that are at once laugh-out loud funny, heartbreakingly honest, joyous, tragic and powerful, *Waiting for the Punch* is a book to be read from cover to cover, but it is also one to return to again and again.

Houston, Texas. Evie Barnes is a bad girl. So are all her friends. They're the sort who wear bold makeup, laugh too loud, and run around with boys. Most of all, they protect their own against the world. So when Evie is saved from a sinister encounter by a good girl from the "right" side of the tracks, every rule she's always lived by is called into question. Now she must redefine what it means to be a bad girl and rethink everything she knew about loyalty. In this riveting story of murder, secrets, and tragedy, Jennifer Mathieu puts a female twist on S. E. Hinton's The Outsiders. Bad Girls Never Say Die has all the drama and heartache of that teen classic, but with a feminist take just right for our times.
