A Brown Bear's Language Arts Study Oct 30 2019 Brimming with language arts, biblical principles, and nature influences, A Brown Bear's Language Arts Study takes a charming journey through Thornton Burgess's story, The Adventures of Buster Bear. Jamie Gault relies on her experience as an educator and mom of eight to promote a consistent read-aloud practice for students ages nine to eleven and their teachers while providing a deeper understanding of biblical principles found in Proverbs and James. Her teacher's handbook and student workbook cohesively work together to build character in young people through common language arts concepts, detailed lessons, picture studies, and writing exercises that teach students how to pen structured paragraphs while creating an informational piece about brown bears. The exposure, practice, and application of these skills also aid in creating a five-paragraph nonfiction picture book at the end of the unit. A Brown Bear's Language Arts Study is a creative presentation inspired by biblical principles that shares language arts concepts to promote excellent writing skills in children while encouraging a lifelong love of learning.
