*'Twas the Night Before Christmas 21st Century Edition* Sep 30 2019 In Kluger and Slavin's rendition, Christmas is no longer a time of sparkling snow globes and neighborly good will, but rather a celebration of profits, bonuses, and cutthroat competition--complete with disgruntled elves, outsourced Santas, union conflicts, Twittered conspiracies, randy reindeer, media hysteria, factory relocations,

toxic merchandise, and a giant leveraged buyout that rocks the world from pole to pole. Packing their verse with hilariously spun rhymes ("The workers grew grim, as they churlishly chored / while Santa grew haplessly, craplessly bored") and even funnier illustrations (picture Santa jumping on Oprah's couch and Mrs. Claus in a racy Maxim cover photo), Kluger and Slavin spike the holiday eggnog with smart and saucy sass--not to mention loads

of laughs. *'Twas the Night Before Christmas 21st Century Edition*, makes the perfect stocking stuffer or lighthearted gift. *Shake It Up: Great American Writing on Rock and Pop from Elvis to Jay Z* May 31 2022 THE ESSENTIAL PLAYLIST OF GREAT WRITING ABOUT THE MUSIC THAT ROCKED AMERICA Jonathan Lethem and Kevin Dettmar's *Shake It Up* invites the reader into the tumult and excitement of the rock revolution through fifty

landmark pieces by a supergroup of writers on rock in all its variety, from heavy metal to disco, punk to hip-hop. Stanley Booth describes a recording session with Otis Redding; Ellen Willis traces the meteoric career of Janis Joplin; Ellen Sander recalls the chaotic world of Led Zeppelin on tour; Nick Tosches etches a portrait of the young Jerry Lee Lewis; Eve Babitz remembers Jim Morrison. Alongside are Lenny Kaye on acapella and Greg Tate on hip-hop, Vince Aletti on disco and Gerald Early on Motown; Robert Christgau on Prince, Nelson George on Marvin Gaye, Luc Sante on Bob Dylan, Hilton Als on Michael Jackson, Anthony DeCurtis on the Rolling Stones, Kelefa Sanneh on Jay Z. The story this anthology tells is a ongoing one: "it's too early," editors Jonathan Lethem and Kevin Dettmar note, "for canon formation in a field so marvelously volatile—a volatility that mirrors, still, that of pop music itself, which remains smokestack lightning. The writing here attempts to catch some in a bottle." Also features: NAT HENTOFF on BOB DYLAN AMIRI BARAKA on R&B LESTER BANGS on ELVIS PRESLEY ROBERT CHRISTGAU on PRINCE DEBRA RAE COHEN on DAVID BOWIE EVE BABITZ on JIM MORRISON ROBERT PALMER on SAM COOKE CHUCK KLOSTERMAN on HEAVY METAL JESSICA HOPPER on EMO JOHN JEREMIAH SULLIVAN on AXL ROSE ELIJAH WALD on THE BEATLES GREIL MARCUS on CHRISTIAN MARCLAY and much more.

**Knitting America** Oct 31 2019 "Susan has placed the history of knitting within the context of American history, so we can clearly see how knitting is intertwined with such subjects as geography, migration, politics, economics, female emancipation, and evolving social mores. She has traced how a melting pot of knitting traditions found their way into American culture via vast waves of immigration, expanded opportunity for travel, and technology." —Melanie Falick This is the history that Knitting America celebrates. Beautifully illustrated with vintage pattern booklets, posters, postcards, black-and-white historical photographs, and contemporary color photographs of knitted pieces in private collections and in museums, this book is an exquisite view of America through the handiwork of its knitters.

*Nobody, Nowhere, My Life Running with Scissors, a Person Centered Fiction* May 07 2020 The year is 1995, and Gina leaves a failed relationship for a California Dream, only to find she can't afford rent in the promised land. That's OK, she's not alone; the nonprofit social service agency that hires her into an entry level mental health job is dominated by a gang of sophomoric slackers, who literally spend 24/7 on the job; since they don't get paid enough to pay rent, they simply don't. It's a makeshift commune of sorts, evolved of necessity. This fictional biography is a darkly comic, social services satire; the action has moved off the grounds of the State Hospital into the four

bedroom, two bath homes of suburbia, and the developmentally disabled have been delivered into the hands of underpaid nonconformists, who cheerfully orchestrate the insanity around them into a performance piece they call their lives. It is a story of familiar people and familiar passions, played out in the unfamiliar territory of institutionalized suburbia.

**The Great A&P and the Struggle for Small Business in America** Mar 29 2022 One of The Wall Street Journal's Best Non fiction Books of 2011. From modest beginnings as a tea shop in New York, the Great Atlantic & Pacific Tea Company became the largest retailer in the world. It was a juggernaut, the first retailer to sell \$1 billion in goods, the owner of nearly sixteen thousand stores and dozens of factories and warehouses. But its explosive growth made it a mortal threat to hundreds of thousands of mom-and-pop grocery stores. Main Street fought back tooth and nail, enlisting the state and federal governments to stop price discounting, tax chain stores, and require manufacturers to sell to mom and pop at the same prices granted to giant retailers. In a remarkable court case, the federal government pressed criminal charges against the Great A&P for selling food too cheaply-and won. The Great A&P and the Struggle for Small Business in America is the story of a stunningly successful company that forever changed how Americans shop and what Americans eat. It is a brilliant business history, the story of how George and John Hartford took over their father's business and reshaped it again and again, turning it into a vertically integrated behemoth that paved the way for every big-box retailer to come. George demanded a rock-solid balance sheet; John was the marketer-entrepreneur who led A&P through seven decades of rapid changes. Together, they built

**The Sunset Limited** Dec 14 2020 From the bestselling, Pulitzer Prize-winning author of

The Road—a startling encounter on a New York subway platform leads two strangers to a run-down tenement where a life or death decision must be made. In that small apartment, "Black" and "White," as the two men are known, begin a conversation that leads each back through his own history, mining the origins of two fundamentally opposing world views. White is a professor whose seemingly enviable existence of relative ease has left him nonetheless in despair. Black, an ex-con and ex-addict, is the more hopeful of the men—though he is just as desperate to convince White of the power of faith as White is desperate to deny it. Their aim is no less than this: to discover the meaning of life. Deft, spare, and full of artful tension, The Sunset Limited is a beautifully crafted, consistently thought-provoking, and deceptively intimate work by one of the most insightful writers of our time.

America's Great Game Nov 24 2021 From the 9/11 attacks to waterboarding to drone strikes, relations between the United States and the Middle East seem caught in a downward spiral. And all too often, the Central Intelligence Agency has made the situation worse. But this crisis was not a historical inevitability—far from it. Indeed, the earliest generation of CIA operatives was actually the region's staunchest western ally. In America's Great Game, celebrated intelligence historian Hugh Wilford reveals the surprising history of the CIA's pro-Arab operations in the 1940s and 50s by tracing the work of the agency's three most

influential—and colorful—officers in the Middle East. Kermit “Kim” Roosevelt was the grandson of Theodore Roosevelt and the first head of CIA covert action in the region; his cousin, Archie Roosevelt, was a Middle East scholar and chief of the Beirut station. The two Roosevelts joined combined forces with Miles Copeland, a maverick covert operations specialist who had joined the American intelligence establishment during World War II. With their deep knowledge of Middle Eastern affairs, the three men were heirs to an American missionary tradition that engaged Arabs and Muslims with respect and empathy. Yet they were also fascinated by imperial intrigue, and were eager to play a modern rematch of the “Great Game,” the nineteenth-century struggle between Britain and Russia for control over central Asia. Despite their good intentions, these “Arabists” propped up authoritarian regimes, attempted secretly to sway public opinion in America against support for the new state of Israel, and staged coups that irrevocably destabilized the nations with which they empathized. Their efforts, and ultimate failure, would shape the course of U.S.-Middle Eastern relations for decades to come. Based on a vast array of declassified government records, private papers, and personal interviews, America's Great Game tells the riveting story of the merry band of CIA officers whose spy games forever changed U.S. foreign policy.

Coupon Crazy Aug 22 2021 A fascinating history of this marketing tactic, and why some shoppers take it to extremes—from a longtime expert couponer. Coupon Crazy examines the phenomenon of avid coupon use and the socio-cultural and socioeconomic factors that construct it. By delving into the history of couponing, refunding, the science of shopping, and the dark underbelly of a coupon world the average American doesn't even know about, Mary Potter Kenyon manages to both fascinate and educate. Readers will meet today's “Coupon Queens” (and Kings) and learn about an era when trash really was cash. Not just an observer of this ethnographic research, Mary lived it for over thirty years. “My favorite aspect of the entire book was the candid tone Kenyon takes in sharing her story and others. As someone that both uses coupons and teaches couponing practices, I found the book triggering self-reflection at many points: Do I purchase products just because they are on sale? Do I devalue products I've gotten for free? Do I allow coupons to inform my purchases or the other way around? If you are a couponer, it's quite possible you'll find yourself reflecting on your own shopping habits as you read this book, too.” —Angela Russell, The Coupon Project
