That changes when Luke meets an angel who says he has been chosen by God to deliver a message. First Luke must decide if what he saw and heard is real and then he must decide if he will go. Luke sets out on what he is sure is a crazy adventure with his friend Keith. Starting on bicycles they end up crossing half the United States on a mission for God. Small Christians Mar 16 2021 Religion & Spirituality - Small Christians is about Christians or so-called Christians that practice weak faith and present to the world a wrongful picture of God's saving grace. I Have No Problem with Christianity; the Problem is Christians! From rock stars sporting huge crosses around their necks and then behaving in the most outrageous behavior to people with the Christian symbol of a fish on the rear of their cars screaming obscenities and giving certain body gestures in an act of road rage, is it no wonder that the world has found Christianity lacking? But Christianity is about Christ and not Christians! We live in a hurting world with hurting people. And the Church is not isolated from that hurt. In fact, the Church actually accentuates the hurt. Why? The Church is comprised of people who are hurting and coming to church for help and it is also comprised of people who have been helped that are coming to worship God. When you bring former hurt together with current hurt and drop it together with imperfect people, there are going to be problems. The great mystery of God revealed by His Son, Jesus Christ is "not that we live for God as Christians, but that God lives through us and in us." Our hope is in Christ and since we are all "broken pots," we can expect problems. And only through our faith in Christ will we rise above for we can do nothing without Him! This is not a book on spiritualism and in fact it is a book of spirituality vs religion. It delineates what are the differences in religions and speaks about religion spirituality. In today's Christian world, you need to read this book. Isn't it time the world sees the true face of Christianity?
