The Art of Tennessee Loveless Mar 16 2021 Tennessee Loveless—a Los Angeles-based contemporary pop artist—used bold colors and patterns to create a series of a hundred detailed Mickey Mouse paintings on 10 x 10 canvas. This deluxe art book showcases the beautiful art as well as explores the fascinating world of the artist behind it. Tennessee creates a poetic irony when one considers the fact that he is almost completely colorblind. Despite many obstacles throughout his life and career, he has persevered in pursuing his art. He is driven by his passion for painting people and iconic fictional characters in a way that strikes an emotional and nostalgic connection through the power of color.

Blacklisted Dec 25 2021 From the New York Times bestselling author of the *Marked Men* series comes an irresistible and suspenseful romance between a doctor who plays by the rules and the outlaw who breaks them in order to protect her. Dr. Presley Baskin has always lived a quiet, calm life. Unfortunately, nothing about her life in Loveless, Texas -- especially not the wild, rowdy, and impossibly close-knit Lawton family who've claimed her -- is quiet or calm. Which is how loner Presley finds herself roped into patching up local bad boy Shot Caldwell against her better judgment. Presley wants nothing to do with the dangerous, brooding leader of the local outlaw motorcycle club. But when someone starts stalking her, Shot is the only person she trusts to help. Plus he owes her one . . . Palmer 'Shot' Caldwell has always known his life isn't made for relationships. At least until shy, secretive, Presley reluctantly pulled a bullet out of him. He's oddly protective of the pretty doctor, so when she comes to him for help, hard-hearted Shot suddenly realizes there's nothing he wouldn't do to keep her safe.

The Loveless Marriage Aug 21 2021 After centuries of violence between the feuding McBrara and MacSteel Clans in the Scottish Highlands, a fragile peace is about to break into a new war when one of the MacSteels' shepherds is murdered allegedly by the McBraras. In a desperate attempt to avoid further bloodshed before the imminent visit of the English King George IV, the Laird of the MacSteels proposes that they unite the Clans with a marriage and the Earl of Braradale agrees somewhat reluctantly. And so the Laird's daughter, the elfin young beauty, Fyna, is obliged to marry a man she has never even met – the Earl of Braradale himself. Thus they are both ready to enter into a loveless marriage to save their Clans from further bloodletting and strife. For his part the Earl is dreading the marriage, imagining that she will be 'pious and heavily built', while for her part Fyna too dreads a loveless union with a man she does not love and who will look down at her as his inferior. As the two Clans celebrate their Wedding, the reluctant bride and groom begin to become acquainted and from the start both are pleasantly surprised to find that they have much in common, notably that they are both fey as many Scots are and can sense each other's thoughts and moods. But it is only when the life of her new husband is imperilled by her murderous cousin, Hamish, that Fyna suddenly realises that she has fallen deeply in love.

Against the Loveless World Sep 02 2022 From the internationally bestselling author of the "terrifically affecting" (*The Philadelphia Inquirer*) *Mornings in Jenin*, a sweeping and lyrical novel that follows a young Palestinian refugee as she slowly becomes radicalized while searching for a better life for her family throughout the Middle East, for readers of international literary bestsellers including *Washington Black*, *My Sister*, *The Serial Killer*, and *Her Body and Other Parties*. As Nahr sits, locked away in solitary confinement, she spends her days reflecting on the dramatic events that landed her in prison in a country she barely knows. Born in Kuwait in the 70s to Palestinian refugees, she dreamed of falling in love with the perfect man, raising children, and possibly opening her own beauty salon. Instead, the man she thinks she loves jilts her after a brief marriage, her family teeters on the brink of poverty, she's forced to prostitute herself, and the US invasion of Iraq makes her a refugee, as her parents had been. After trekking through another temporary home in Jordan, she lands in Palestine, where she finally makes a home, falls in love, and her destiny unfolds under Israeli occupation. Nahr's subversive humor and moral ambiguity will resonate with fans of *My Sister*, *The Serial Killer*, and her dark, contemporary struggle places her as the perfect sister to Carmen Maria Machado's *Her Body and Other Parties*. Written with Susan Abulhawa's distinctive "richly detailed, beautiful, and resonant" (*Publishers Weekly*) prose, this powerful novel presents a searing, darkly funny, and wholly unique portrait of a Palestinian woman who refuses to be a victim.

Love and the Loveless Nov 23 2021 *Love and the Loveless* (1958) was the seventh entry in Henry Williamson's fifteen-volume *A Chronicle of Ancient Sunlight* spanning the years from the late Victorian period to the Second World War. The year covered by this novel, 1917, was perhaps the darkest of the Great War, with widespread mutinies in the French Army after the disastrous Nivelle offensive. Phillip Maddison is now a young transport officer, tending pack animals, surviving amid devastation and death. His courage, sustained by poetry, by comradeship, by the comfort of whisky and water, is perhaps unnatural; but amid the charnel house of battle he endures, in a way of life so alien to those at home that it might be the dark side of the moon. 'Williamson's style is romantic, though rarely sentimental, and his sensuous response to nature is fresh and surprising.' Anthony Burgess, *Ninety-Nine Novels: The Best in English since 1939*

The Blue Between Sky and Water Jul 20 2021 It is 1947, and Beit Daras, a rural Palestinian village, is home to the Baraka family – oldest daughter Nazmiyeh, brother Mamdouh, beautiful, dreamy Mariam and their widowed mother. When Israeli forces descend, sending the village up in flames, the family must take the long road to Gaza, in a walk that will test them to their limits. Sixty years later, in America, Mamdouh's granddaughter Nur falls in love with a doctor. Following him to his work in Gaza, she meets Alwan, who will help Nur discover the ties of kinship that transcend distance – and even death. Told with raw humanity, *The Blue Between Sky and Water* is a lyrical, devastatingly beautiful story of a family's relocation, separation, survival and love.

Fearless May 06 2020 People say fear is only an illusion--a trick of the mind, the product of our own making. But to eighteen-year-old Laney, fear is the only thing that stands in the way of everything she has ever wanted. Time is running out. There is no Dome anymore. No gray, underground world that was governed by a man who taught people that love was just a story from the past. There are only the stairs, the door, and the world they escaped to. There are trees, and canyon walls, and wind, and color--so much color. There are people, eighty-eight of them, who need to learn to love if they are going to survive. And there is him. He is just like the rest of them--gray eyes, tight skin wrapped around white bones--with one difference: He's changed. Hate reached inside of him and wrapped itself around his heart, and he let it. But he's so good at putting on an act, so good at pretending to be who he used to be, that even she doesn't notice. And when people start disappearing, one by one, there is only one thing Laney knows is as real as the world around her: fear. *Fearless* is the thrilling second book in the *Loveless* series, a young adult phenomenon that blurs the line between this world and the world in the book.

Starfish. Rumi Seto spends a lot of time worrying she doesn't have the answers to everything. What to eat, where to go, whom to love. But there is one thing she is absolutely sure of—she wants to spend the rest of her life writing music with her younger sister, Lea. Then Lea dies in a car accident, and her mother sends her away to live with her aunt in Hawaii while she deals with her own grief. Now thousands of miles from home, Rumi struggles to navigate the loss of her sister, being abandoned by her mother, and the absence of music in her life. With the help of the “boys next door”—a teenage surfer named Kai, who smiles too much and doesn't take anything seriously, and an eighty-year-old named George Watanabe, who succumbed to his own grief years ago—Rumi attempts to find her way back to her music, to write the song she and Lea never had the chance to finish. Aching, powerful, and unflinchingly honest, *Summer Bird Blue* explores big truths about insurmountable grief, unconditional love, and how to forgive even when it feels impossible.

Enemies With Benefits Sep 21 2021 I don't love him. I don't even like him. I just want him. Eli Loveless was my nemesis from the first day of kindergarten until we graduated high school. Everything I did, he had to do better - and vice versa. The day he left town was the best day of my life. Ten years later, the day he came back was the worst. Now he's my co-worker. Grown-up Eli Loveless is sexy as sin. He's hotter than asphalt in the summer. The irritating kid I once knew is gone, and he's been replaced by a man with green eyes, perfect abs, and a cocky smile. It's bad that I want him. It's worse that he wants me back. There are looks. There are smirks. There are smiles that make my panties burst into flame. And then there's a shared kiss that leads to the hottest night of my life. This is no office romance. This is a five-alarm fire. What's a girl to do when the man I can't stand is the one I can't stop lusting after? Enter into a friends-with-benefits agreement, of course. No dates. No relationship. Just blisteringly hot sex, because if there's one person I could never fall for, it's Eli. ...right?

Loveless Love Oct 23 2021 In *The Wave*, a young man falls dangerously in love with the tenant downstairs, who is engaged to be married; in *The Signorina*, a flirtatious young woman is caught between her feelings and her parents desire for a good match; in *A Friend to the Wives*, the peerless Pia Tolosani leaves a trail of regret in the life of a former suitor. In this collection of stories Pirandello's first published work of fiction the master of Italian modernism dissects the passions that are either dimly felt or unrequited, ultimately raising doubts about the very nature and existence of love, while simultaneously foreshadowing the themes and the psychologically nuanced characters that he would go on to develop in his later works. ABOUT THE SERIES: The 101 Pages series has been created with the aim of redefining and enriching the classics canon by promoting unjustly neglected works of enduring significance. These texts have been treated with a fresh editorial approach, and are presented in an elegantly designed format.

The Hookup Equation Jan 14 2021 Teach me everything. My whole life, I've been a good girl. I follow rules like nobody's business. I obey guidelines like I was born to it. Show me a line, and I'll toe it. I'm even a twenty-two-year-old virgin. Good is my

middle name. And then, I break one tiny little rule. Miniscule. Inconsequential. Next thing I know, I'm trapped with an incredibly handsome stranger. He's got eyes like cut emeralds, biceps that makes my head spin, and a smile that has me rethinking all my life choices. We escape a bar bathroom together. We go on an impromptu date. We share the hottest kiss I've ever had, one that leaves me panting for more. We promise to see each other again. Turns out, we see each other the next morning. In my calculus class. Which he's teaching. My handsome, sexy date is Professor Loveless, and we'll be seeing each other plenty. Every Monday, Wednesday, and Friday all semester. There's no choice but to call it off. We both have too much at stake: I could lose my scholarship, and he could lose his entire career. But I can't call off the way I feel. I can't call off the way he looks when he rolls up his sleeves and explains imaginary numbers. I can't call off the heated glances, or the way our hands touch when I hand in my homework, or the memory of his body pressing against mine that night. I'm a virgin. He's my professor. And if we give in, it could cost us both everything. But I'm so tired of being a good girl.

My Bloody Valentine's Loveless Oct 11 2020 *Loveless* remains an enigma, 15 years after its release - an album so influential and groundbreaking that its chief creator, Kevin Shields, has been unable or unwilling to release an official follow-up. In his book, Mike McGonigal talks to all the members of My Bloody Valentine, in an almost certainly futile attempt to get at the essence of this extraordinary record.

Best Fake Fiancé Jun 18 2021 I told a judge I was engaged to my best friend. Now we're faking it. How hard can it be? My life has room for exactly two women: my daughter Rusty and my best friend Charlotte — known to everyone as Charlie. One is a feisty, tomboyish firecracker. The other is my seven-year-old. I can't imagine life without either. So when my ex springs a custody hearing on me, I find myself telling

the judge that I'm engaged to Charlie. The only problem? I'm not. Time to fake an engagement. Pretending we're a couple will be no big deal. We've been friends for years. We used to sneak cigarettes behind the bleachers. We turned cans of hairspray into flamethrowers. We got drunk on stolen malt liquor. She's beautiful, vivacious, spontaneous, and she loves my daughter to death. It's the perfect answer: we fake it for a few months, then go back to our lives. Until we touch, and sparks fly. Until I can't take my eyes off her. Until I can't stop thinking about what she's got on under her coveralls. It takes one kiss. One touch. One shared secret and suddenly, I'm not pretending anymore. I want her, I need her in ways I didn't know I could. But there's a lifetime of friendship between us, and falling in love with Charlie could mean risking everything.

The Tracking Wars Aug 09 2020 In the 1980s, a nationwide reform movement sprang up in opposition to "tracking," the controversial practice of schools grouping students

by ability and organizing curriculum by level of difficulty. Officials in two states, Massachusetts and California, adopted policies urging middle schools to reduce or abandon tracking. In this book, Tom Loveless describes how schools reacted to these recommendations and discusses why some schools went along with detracking while others bitterly resisted the reform. Loveless explains that the state policies were adopted without strict mandates, financial incentives, legal threats, or new bureaucratic structures. They were also adopted without convincing evidence that detracking brings lasting benefits to students. But advocates framed tracking reform as a policy supporting greater educational equity. In response, urban schools, low-achieving schools, and schools serving disadvantaged children have reacted sympathetically to the reform. Suburban schools, high-achieving schools, and schools serving wealthier families have been less willing to detrack. Drawing on extensive survey and case study data, Loveless concludes that this reform's fate is in the hands of local decisionmakers. Schools formulate tracking policy based on their own institutional, organizational, political, and technical considerations. All school reform entails risks. One troubling implication of this study is that the risks of detracking are being assumed by schools with some of society's most vulnerable youngsters.

Loving the Loveless Oct 03 2022 This book features posts from The Reluctant Rescuer's Blog. The story begins with a card reading that showed the author, Catriona Lowry, the challenging but rewarding rescue path that lay ahead of her - one far removed from her career ambitions and creativity. The fortune teller's message was silently rubbished as she left her house. In time every story-telling card revealed that day became her real-life backdrop and narrative for years to come. One followed the other, each scene and setting becoming her landscape and mindscape. Catriona did become an animal rescuer but maintained a reluctance - always maintaining her familiar and hoped-for world. She was aware the world of rescuing - if allowed - can steal you of life as you knew it, can take away your peace of mind if you don't build boundaries, and can break your heart again and again. Throughout the book, what is evident, is the voice of not just a rescuer, but a counsellor, a teacher, and finally an empath. This book is not just for animal lovers or rescuers - it is a book for anyone who seeks a life of meaning and purpose; it is a book that teaches us how to walk through the valleys with courage and smile widely when you get to the many peaks in life. It is about lives saved and lives lost and whilst reminding us: there is a rescuer in all of us.
