*Restoring the House of God Oct 28 2019* A thief has quietly crept into our churches. This thief has robbed us blind and most of us do not even realize it. Most of what our Lord wants for us has been taken from us by a "spirit of religion". This spirit has caused us to become a self-centered, flesh-serving institution instead of the life-giving, hope-building, Christ-filled Body that Jesus wants to build. Our only hope of reconnecting with our Lord and the culture around us is to return to the Lord Himself. He will build His own Church, with much less help from us than we realize. This book shows the power of restoring the Church by restoring the intimacy of relationship with our Lord and then with the people God has put into our lives.

*From Duty to Delight Aug 07 2020* Prayer has an important role in the lives of believers. For some, however, prayer has become a chore almost something to be dreaded than eagerly anticipated. Some people get caught up in the "how much/how often" they pray. But it really is not about how many chapters of the Bible you read or how many minutes a day you pray. It is that you read the Bible and you pray. In *From Duty to Delight: Finding Greater Joy in Daily Prayer*, author Ron Parrish seeks to help you become a person who enjoys spending time in God's presence through prayer someone who finds such joy in devotion that you will lose track of time. *From Duty to Delight* is written for the average person who struggles to set aside time for meaningful, focused interaction with God. If you feel badly about missing your devotions, if you quickly run out of things to say when you try to pray, if you sometimes find prayer boring, or if you have given up on trying to be a man or woman of prayer, *From Duty to Delight* can help you find your way to prayer that is fulfilling and that you can look forward to each day.

That's when she discovers that she's braver than she thought she was, and that with a little friendship and a lot of divine inspiration, real life is just as exciting as any storybook adventure. Originally a Brit, Caroline Cienki has fond memories of vacations spent in the rural North of England with her grandparents, where she learned to love the countryside. She now lives in the US, and calls Texas her home along with her husband, two children and three fun-loving doggies. Among her current passions are home-making, travel and spiritual formation. The God Chair is her first children's book.

*Patient Safety Oct 21 2021* Americans should be able to count on receiving health care that is safe. To achieve this, a new health care delivery system is needed – a system that both prevents errors from occurring, and learns from them when they do occur. The development of such a system requires a commitment by all stakeholders to a culture of safety and to the development of improved information systems for the delivery of health care. This national health information infrastructure is needed to provide immediate access to complete patient information and decision-support tools for clinicians and their patients. In addition, this infrastructure must capture patient safety information as a by-product of care and use this information to design even safer delivery systems. Health data standards are both a critical and time-sensitive building block of the national health information infrastructure. Building on the Institute of Medicine reports *To Err Is Human* and *Crossing the Quality Chasm*, Patient Safety puts forward a road map for the development and adoption of key health care data standards to support both information exchange and the reporting and analysis of patient safety data.

*Covens in the Church Sep 07 2020* Burton leads a discussion on the issues of unity, authority, and mission advance.

*Index Mar 14 2021* A permanent index compiled irregularly which cumulates all indexes for a given period and is not further updated.

*Revelation Unraveled Nov 29 2019* Before widespread use of the Internet, before 9/11, and before our preoccupation with modern day terrorism, Mr. Villanueva wrote a concise and compelling view of what the Book of Revelation says will happen as the day of Christ's return to Earth draws near. The facts presented in *Revelation Unraveled* continue to unfold as stated with the most important events yet to come. The book's emphasis on Scripture gives the reader a thorough knowledge of what the Bible has to say about end time events in a seamless and captivating way. Any person with the slightest interest in understanding why world events are happening the way they are and what the Bible says about a coming world government, cashless society, the Great Tribulation and Final Judgment owe it to themselves to read this book. It serves as a wake-up call to complacent Christians and non-believers alike.

*Knowing Yourself Knowing God Jul 06 2020* Dr. John Shackelford, Christian psychologist, wants to help you know yourself. Your journey starts with being honest about your life and what you have been through - the good and the bad - and considering how it has affected you. He then offers three personality systems which have helped him and which can help you know yourself better: Myers-Briggs, ego states, and Enneagram. While there may be no one exactly like you, there are many people with whom you share personality traits. The Myers-Briggs has sixteen types. You will fit one of those. The Enneagram offers nine types. You will see yourself in one of these. The Enneagram adds value as it describes the deeper dynamics which limit you. This knowledge helps you move beyond your ingrained way of living life, i.e. your ego-life. Learning about yourself can be fun at times, and hard at times. You will come to see your strengths and weaknesses more clearly. Dr. Shackelford also offers chapters on the ego, the False Self and the True Self. In your life you go through painful experiences where you flounder and fail (collapse of False Self). This life crisis, though difficult, can be a portal from your ego-run-life, to a healthy dependence on God, what the book refers to as a God-Led-Life. The author shares his own story of collapse and how he found God in a new way, despite being a Christian for years. Actually, knowing yourself better proves to be quite helpful in knowing God better and trusting Him to be the Lord of your life. In the second part of the book, Dr. Shackelford offers three chapters toward knowing God better: God's Gift, God's Will, and God's Desire. This can serve as a foundation for beginning to "pursue God." The last section of the book is very personal. It is the story of six individuals who made a consistent effort to pursue God and journal their experiences. The reader can see how these six Christians moved from an Ego-Led-Life to a God-Led-Life. On this journey life becomes less about striving for love or significance, and more about knowing and following God/Jesus. As one's identity becomes secure in the unconditional love of Christ, the believer understands that life is not about what we can do for God, but about what He has done for us. This book was written to increase awareness of self and God, so that one may in humility accept the riches of knowing Christ in an intimate way. Following Him flows from deep attachment, gratitude, and having learned to hear His voice. The reader may come to better understand St. Paul who said, "I have been crucified with Christ and I no longer live, but Christ lives in me." Galatians 2:20 NIV.

**God's Supernatural Power in You Nov 21 2021** The need for power ministry is as strong today as it was when Jesus and the apostles walked the earth. The need for demonstrations of God's powerful love, exhibited through His church, will demolish strongholds of unbelief and relativism, as well as tear down cultural barriers that may bring confusion when only the words of the good news are shared, but its power is neglected. When Jesus and the apostles proclaimed the good news of salvation to people, works of power accompanied them. Today, the entire church needs mentored in how to bring God's word to the world in power. This book is a prophetic call to engage the mission of bringing God's radical love to this hurting world through power ministry.

**The Heavens Declare the Glory of God Aug 26 2019** Dr. Ron McRay is about to do something extraordinary. This book will present to you the subject of Biblical astrology. Do not be frightened, for you are about to be introduced to one of the most fascinating subjects of the Bible. "Pagan" astrology, motivated by evil, and counted on by millions of people down through the ages, is actually the "gospel according to 'satan.'" It is designed to blind mankind to the true "ordinances of heaven." This misguided view of the heavens has infiltrated into Christian society. Coffee break discussions of personal experiences mention the "alignment of the stars" rather than the providence of the Creator. The daily newspaper horoscope is read by countless numbers of professing believers in GOD. A biblical understanding is needed to give the glory back to GOD where it belongs. The gospel is contained in the stars of heaven. Even without the Bible, Yahweh has provided his wonderful story and plan of redemption forever etched in the night skies. Their stories should be trumpeted by believers everywhere to bring the glory of Yahweh's work to a sinful world.

**Holy Bible May 04 2020** The first major translation of the Christian Scriptures from the original languages to be undertaken since the King James Version (1611), the Revised Standard Version debuted in 1952 to simultaneous acclaim and condemnation. Mainline Protestants and Roman Catholics lauded the new translation, while many evangelicals vilified it. The RSV dramatically shaped the course of English Bible translation work in the latter half of the Twentieth Century, and it remains the Bible of choice for many people. This 50th Anniversary Edition features a clear new type setting that readers are certain to appreciate.

**Small Christians Oct 09 2020 Religion & Spirituality - Small Christians** is about Christians or so-called Christians that practice weak faith and present to the world a wrongful picture of God's saving grace. I Have No Problem with Christianity; the Problem is Christians! From rock stars sporting huge crosses around their necks and then behaving in the most outrageous behavior to people with the Christian symbol of a fish on the rear of their cars screaming obscenities and giving certain body gestures in an act of road rage, is it no wonder that the world has found Christianity lacking? But Christianity is about Christ and not Christians! We live in a hurting world with hurting people. And the Church is not isolated from that hurt. In fact, the Church actually accentuates the hurt. Why? The Church is comprised of people who are hurting and coming to church for help and it is also comprised of people who have been helped that are coming to worship God. When you bring former hurt together with current hurt and drop it together with imperfect people, there are going to be problems. The great mystery of God revealed by His Son, Jesus Christ is "not that we live for God as Christians, but that God lives through us and in us." Our hope is in Christ and since we are all "broken pots," we can expect problems. And only through our faith in Christ will we rise above for we can do nothing without Him! This is not a book on spiritualism and in fact it is a book of spirituality vs religion. It delineates what are the differences in religions and speaks about religion spirituality. In today's Christian world, you need to read this book. Isn't it time the world sees the true face of Christianity?

**Your Jesus GPS Apr 02 2020** Have you heard of Jesus? No? Whether or not you know who Jesus is and what He said, "Your Jesus GPS" will acquaint you with the messages and miracles, and more. Written not only as a Guidebook but also as a personal testimony, this work catalogs all of Jesus' major works and words and allows the reader - and student - to pursue the matter further, if desired. The book's purpose is to provide information, prompt introspection, and encourage action. After reading this book, it is hoped you will find direction, personal growth, inner peace and joy.

**Ontological Mysticism, an Experience of God Mar 02 2020** Mysticism, the full realization of God cannot be attained through thoughts or words. The Archetype of the Story of Exodus provides a paradigm of spiritual development that includes spiritualized intellect symbolized by Moses. Mr. Gilbert's tome is more than his personalized writing, but rather takes you through the maze of thought to new realizations. Using Carl Jung's concept of archetype symbols and Aristotle's method of reasoning you are led to the brink of your mind in An Experience of God. There will be those who will no longer run from the fear, who will go into free fall, who will begin to trust the world more to be what it always has been and always will be -- God. The taboo against sensuousness, the indictment and conviction of Eros as evil, effectively puts us at odds with the entirety of our creation as the universe, since we know this creation only through our senses.
