The Bear Went Over the Mountain Jul 26 2019 counterinsurgency punctuated by moments of heady excitement and terror. Colonel Grau, the editor and translator, has added his own commentary to produce a useful guide for commanders to meet the challenges of this kind of war and to help keep his fellow soldiers alive. This book will also be of interest to the historian and general reader, who will discover that advances in technology have had little impact on this kind of war, and that many of the same tactics the British Army used on the Northwest Frontier still apply today.
