WALNECK'S CLASSIC CYCLE TRADER, JANUARY 2004 Feb 20 2022

Donny's Unauthorized Technical Guide to Harley-Davidson, 1936 to Present Oct 28 2022 In this second part of his fifth volume on Harley-Davidson motorcycles, Donny Petersen, who studied privately with Harley-Davidson engineers, shares practical knowledge and streetwise tips on the Shovelhead motorcycle. Donny presents what Harley-Davidson has to say through the myriad of service bulletins back in the day in everyday language. He also uses his extensive practical experience to constructively critique the official line, offers additional hard-earned information, and then shares what he does to his own bikes. He provides • solutions to fix the Shovelhead's teething problems; • Harley's responses to ongoing problematic aspects of vibration, as well as the aftermarket's cures; • tips on working with the Shovelhead's carburetors and five ignitions; starter and charging systems, electrical switches, circuit breakers, and relays; and • best practices for lubrication, as well as the progression of front forks and shocks, brakes, wheels, and tires. Written in straightforward language, this guide offers step-by-step instructions to help all levels of enthusiasts, from novices to expert mechanics. In his usual forthright manner, Donny makes technical issues understandable, interspersing explanations with entertaining stories about the lifestyle that comes with being a Harley rider.

McQueen's Machines Jun 19 2019 No other Hollywood star has been so closely linked with cars and bikes, from the 1968 Ford Mustang GT Fastback he drove in Bullitt (in the greatest car chase of all time) to the Triumph motorcycle of The Great Escape. McQueen's Machines gives readers a close-up look at the cars and motorcycles McQueen drove in movies, those he owned, and others he raced. With a foreword by Steve's son, Chad McQueen, and a wealth of details about of the star's racing career, stunt work, and car and motorcycle collecting, McQueen's Machines draws a fascinating picture of one outsized man's driving passion. Now in paperback.

WALNECK'S CLASSIC CYCLE TRADER, FEBRUARY 2008 Jan 07 2021

Harley-Davidson Jan 19 2022 Presents a pictorial history of Harley-Davidson motorcycles, detailing prices, production information, colors, and specifications for each model.

The Harley-Davidson Motor Company Sep 03 2020 Harley-Davidson: A name that brings a smile to anyone who loves American motorcycles. For 100 years, that name has been synonymous with freedom, open roads, raw power and good times, and the Milwaukee motorcycles have spawned legions of fans world-wide who are fiercely loyal to their V-twin-powered machines and the company that built them. Since 1903, the Harley-Davidson Motor Company has endured wars, recessions, depressions, strikes, buyouts and buybacks, foreign competition, and ever-changing markets. It has survived all that, and thrived. Harley is now stronger than it's ever been, and shows no sign of slowing down. In the fourth edition of this classic history, author David K. Wright has revised and expanded the book to include all 100 years of the company's history. He covers the motorcycles, the men who built them, the owners, the dealers, the racers, and the entire Harley scene, from celebrity owners and police bikes to one-percenters, from restorers to custom bike builders. Wright's extensive research, candid style, and deep appreciation for Harley-Davidson's history combine to make this an important part of every Harley rider's library. This is the complete story of Harley-Davidson, the American motorcycle of the 20th Century -- and now, of the 21st Century as well. Every H-D fan, from first-time rider

to grizzled veteran, will want this fascinating, all-too-true story -- now offered proudly without Harley-Davidson approval or endorsement. Book jacket.

The Harley-Davidson Story Dec 26 2019 The Harley-Davidson Story: Tales from the Archives is a fascinating, visually driven overview of the motor company's rich story, created in cooperation with the Harley-Davidson Museum. The story of Harley-Davidson is a classic American tale of spirit, invention, and the right idea at the right time. From its beginning in a small Milwaukee shed in 1903, William Harley and his cousins, the Davidson brothers, set in motion what would eventually become the world's most iconic motorcycle company. While other motorcycle companies rose and fell through the teens and 1920s, Harley went from strength to strength, whether introducing its first V-twin motor or dominating race tracks across America. The Milwaukee Miracle even prospered during WWII, building war bikes for the armed forces. By the 1950s, they'd buried their last American-built competitor, Indian, and gained a hold over the US market that they maintain to this day. A remarkable story deserves a remarkable space to recount it. Such is the Harley-Davidson Museum in Milwaukee, which opened in 2009. Harley-Davidson partnered with Motorbooks to create this book relaying Harley-Davidson's story, as told through the museum's displays and archive assets.

Donny's Unauthorized Technical Guide to Harley Davidson 1936 to Present Sep 15 2021 Donny is the Winner of the 2012 International Book Awards. Donny Petersen offers the real deal in performing your Harley-Davidson Twin Cam. Graphics, pictures, and charts guide the reader on a sure-footed journey to a thorough H-D Twin Cam performance understanding. Petersen's insight makes technical issues understandable even for the novice. Donny simply explains what unfaillingly works in performing the Twin Cam. This is the second volume of Petersen's long-awaited Donny's Unauthorized Technical Guide to Harley Davidson 1936 to Present. This twelve-volume series by the dean of motorcycle technology examines the theory, design, and practical aspects of Twin Cam performance. Donny studied privately with Harley-Davidson engineers, having worked on Harleys for over 35 years. He founded Toronto's Heavy Duty Cycles in 1974, North America's premier motorcycle shop. Donny has ridden hundreds of performed Shovels, Evos, and Twin Cams across four continents doing all of his own roadside repairs. He has acquired his practical knowledge the hard way. Donny has the privilege of sharing his performance secrets the easy way. Donny will walk you through detailed performing procedures like headwork, turbo-supercharging, nitrous, big-inch Harleys and completing simple hop-up procedures like air breathers, exhausts, and ignition modifications. Donny Petersen feels honored to share the wealth of his motorcycle knowledge and technical expertise.

100 Years of Harley-Davidson Feb 26 2020 In celebration of a century of making classic motorcycles, the official one-hundredth anniversary volume recounts the history of the company, and presents images of its famous products.

American Police Motorcycles Jul 25 2022 This book, revised and updated, is a catalogue of American police motorcycles from the earliest days of use to today, with chapters covering the decades chronologically. From the early days of machines with no front brakes, 1913 Harley-Davidson VLs, rows of Indian Police specials lined up to leave the factory, armoured ones with machine-guns fitted to fight the gangs of Al Capone, the introduction of women police motorcycle riders and their machines for the first time, and much more.
