**Burn My Heart** Sep 21 2021 The Mau Mau - the name of a secret society that once struck terror into the hearts of British settlers in Kenya. An episode in history that ended in a State of Emergency, with violent and brutal acts dividing a nation. This is an intensely personal and vivid story of two boys: one black, one white. Once they were friends even though their circumstances are very different. But in a country driven by fear and prejudice, even the best of friends can betray one another . . . Internationally acclaimed and award-winning author Beverley Naidoo explores new territory in this beautifully realized and moving story set in Britain's colonial past.

The Birdman's Wife Apr 16 2021 Inspired by letters from Elizabeth found tucked inside her famous husbands research, *The Birdman's Wife* takes the form of an intimate memoir of a woman whose talent and adventurous spirit led her from the glittering salons of London to the wilds of Van Diemens land and New South Wales. Artist Elizabeth Gould spent her life capturing the sublime beauty of birds the world had never seen before. But her legacy was eclipsed by the fame of her husband, John Gould. This book at last gives voice to a passionate and adventurous spirit who was so much more than the woman behind the man. Elizabeth was a woman ahead of

her time, juggling the demands of her artistic life with her roles as wife, lover, helpmate, and mother to an ever-growing brood of children. In a golden age of discovery, her artistry breathed wondrous life into countless exotic new species, including Charles Darwin's Galapagos finches. In this book, a naïve young girl who falls in love with an ambitious genius comes into her own as a woman, an artist and a bold adventurer who defies convention by embarking on a trailblazing expedition to the colonies to discover Australia's curious birdlife. This is an indelible portrait of an extraordinary woman overlooked by history until now.

LITERATURE A mother and son move to a village in northern Norway, each ensconced in their own world.

Their distance has fatal consequences. Love is the story of Vibeke and Jon, a mother and son who have just moved to a small place in the north of Norway. It's the day before Jon's birthday, and a travelling carnival has come to the village. Jon goes out to sell lottery tickets for his sports club, and Vibeke is going to the library. From here on we follow the two individuals on their separate journeys through a cold winter's night - while a sense of uneasiness grows. Love illustrates how language builds its own reality, and thus how mother and son can live in completely separate worlds. This distance is found not

only between human beings, but also within each individual. This novel shows how such distance may have fatal consequences.

Empowerment Takes More Than a Minute Mar 28 2022

In the newly updated edition of this classic empowerment business fable—over 400,000 copies sold—Ken Blanchard and John Carlos show you how to shift to an empowered, employee-driven work environment. *Empowerment Takes More Than a Minute* tells the story of a young manager whose attempts to turn his troubled company around through traditional top-down, command-and-control management are failing. Reluctantly, he contacts an expert in empowerment, even though he feels like he's already tried that approach. Step by step, the expert helps him understand why his past and present efforts have fallen short and figure out what he needs to do to create an empowered workforce. The process as it unfolds is complex, paradoxical, and counterintuitive—but well worth the effort. This new edition dispels the notion that empowerment is a bygone fad. No matter what its name, the essential concept—that organizations can achieve extraordinary results by recognizing and taking advantage of the skills, experience, and knowledge already existing in the organization—will always be relevant. Although sometimes arduous, the journey to empowerment is well worth embarking on. In fact, unleashing the power of

people in an organization may be the only way to continue to do business in a competitive, complicated marketplace.

Poems from the Edge of Extinction Oct 30 2019 Gold winner in Poetry and Special Honors Award winner for Best Anthology Nautilus Book Awards The Beautiful New Treasury of Poetry in Endangered Languages, in Association with the National Poetry Library Featuring award-winning poets from cultures as diverse as the Ainu people of Japan to the Zoque of Mexico, with languages that range from the indigenous Ahtna of Alaska to the Shetlandic dialect of Scots, this evocative collection gathers together 50 of the finest poems in endangered, or vulnerable, languages from across the continents. With poems by influential, award-winning poets such as US poet laureate Joy Harjo, Hawad, Valzhyna Mort, and Jackie Kay, this collection offers a unique insight into both languages and poetry, taking the reader on an emotional, life-affirming journey into the cultures of these beautiful languages, celebrating our linguistic diversity and highlighting our commonalities and the fundamental role verbal art plays in human life. Each poem appears in its original form, alongside an English translation, and is accompanied by a commentary about the language, the poet and the poem - in a vibrant celebration of life, diversity, language, and the enduring power of poetry. One language is falling silent every two weeks. Half of the 7,000 languages spoken in the world today will be lost

by the end of this century. With the loss of these languages, we also lose the unique poetic traditions of their speakers and writers. This timely anthology is passionately edited by widely published poet and UK National Poetry Librarian, Chris McCabe, who is also the founder of the Endangered Poetry Project, a major project launched by London's Southbank Centre to collect poetry written in the world's disappearing languages, and introduced by Dr Mandana Seyfeddinipur, Director of the Endangered Languages Documentation Programme and the Endangered Languages Archive at SOAS University of London, and Dr Martin Orwin, Senior Lecturer in Somali and Amharic, SOAS University of London. **I Didn't Talk** Jun 26 2019 The English-language debut of a master stylist: a compassionate but relentless novel about the long, dark harvest of Brazil's totalitarian rule A professor prepares to retire—Gustavo is set to move from Sao Paulo to the countryside, but it isn't the urban violence he's fleeing: what he fears most is the violence of his memory. But as he sorts out his papers, the ghosts

arrive in full force. He was arrested in 1970 with his brother-in-law Armando: both were vicariously tortured. He was eventually released; Armando was killed. No one is certain that he didn't turn traitor: I didn't talk, he tells himself, yet guilt is his lifelong harvest. *I Didn't Talk* pits everyone against the protagonist—especially his own brother. The torture never ends, despite his bones having healed and his teeth having been replaced. And to make matters worse, certain details from his shattered memory don't quite add up... Beatriz Bracher depicts a life where the temperature is lower, there is no music, and much is out of view. *I Didn't Talk's* pariah's-eye-view of the forgotten "small" victims powerfully bears witness to their "internal exile." I didn't talk, Gustavo tells himself; and as Bracher honors his endless pain, what burns this tour de force so indelibly in the reader's mind is her intensely controlled voice.

**A Musical Offering** Jul 20 2021 Tracing a circular course that echoes Bach's Goldberg Variations, Luis Sagasti's second book to appear in English takes the guise of a musical Scheherazade, recounting story after story, vibrating to celestial harmonies. From the music born of the sun to the music sent into space on the Voyager mission, from Rothko to rock music, from the composers of the concentration camps to a weeping room for Argentinian conscripts in the Falklands, *A Musical Offering* traverses the shifting sands of fiction and history.

Home Reading Service Aug 09 2020 In this poignant novel, a man guilty of a minor offense finds purpose unexpectedly by way of his punishment—reading to others. After an accident—or “the misfortune,” as his cancer-ridden father's caretaker, Celeste, calls it—Eduardo is sentenced to a year of community service reading to the elderly and disabled. Stripped of his driver's license and feeling impotent as he nears thirty-five, he leads a dull, lonely life, chatting occasionally with the waitresses of a local restaurant or walking the streets of Cuernavaca. Once a quiet town known for its lush

gardens and swimming pools, the “City of Eternal Spring” is now plagued by robberies, kidnappings, and the other myriad forms of violence bred by drug trafficking. At first, Eduardo seems unable to connect. He movingly reads the words of Dostoyevsky, Henry James, Daphne du Maurier, and more, but doesn’t truly understand them. His eccentric listeners—including two brothers, one mute, who moves his lips while the other acts as ventriloquist; deaf parents raising children they don’t know are hearing; and a beautiful, wheelchair-bound mezzo soprano—sense his detachment. Then Eduardo comes across a poem his father had copied by the Mexican poet Isabel Fraire, and it affects him as no literature has before. Through these fascinating characters, like the practical, quick-witted Celeste, who intuitively grasps poetry even though she never learned to read, Fabio Morábito shows how art can help us rediscover meaning in a corrupt, unequal society.

*Love, Theodosia* Dec 13 2020 A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose

between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It's also a heartbreaking romance of two star-crossed lovers, an aching bittersweet "what if." Despite their fathers' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.

**My Grandmother's Braid** Aug 28 2019 Sharp and tender at once, a humourous take on family dysfunction and human weakness seen through a young boy's eyes. But she is not at all pleased with how things are run in Germany. His grandmother has been telling Max that he is an incompetent, clueless weakling since he was a child. While he may be dolt in his grandmother's eyes, Max is bright enough to notice that his stoic and taciturn grandfather has fallen hopelessly in love with their neighbour, Nina. When a

child is born to Nina that is the spitting image of Max's grandfather, things come to a hilarious if dramatic head. Everybody will have to learn to defend themselves from Max's all-powerful grandmother.

Ramifications Jul 08 2020 Folding and refolding origami frogs, extracting the symmetrical veins from leaves, retreating to an imaginary world in his closet: after Teresa walked out the door one July afternoon in 1994, her son filled the void she left with a series of unusual rituals. Twenty-three years later, he lies in bed, reconstructing the events surrounding his mother's disappearance. Did she actually join the Zapatistas in the jungles of Chiapas, as he was led to believe? He dissects his memories of that fateful summer until a startling discovery shatters his conception of his family's story. Daniel Saldaña París (Among Strange Victims) returns with an emotionally rich anti-coming-of-age novel that wrestles with the inherited privileges and crimes of masculinity.

Global Tuberculosis Report 2019 Mar 04 2020 WHO has published a global TB report every year since 1997. The main aim of the report is to provide a comprehensive and up-to-date assessment of the TB epidemic, and of progress in prevention, diagnosis and treatment of the disease, at global, regional and country levels. This is done in the context of recommended global TB strategies and targets endorsed by WHO's Member States, broader development goals set by the United Nations (UN) and targets set in the political declaration at the first UN high-

level meeting on TB (held in September 2018). The 2019 edition of the global TB report was released on 17 October 2019. The data in this report are updated annually. Please note that direct comparisons between estimates of TB disease burden in the latest report and previous reports are not appropriate. The most recent time-series of estimates are published in the 2019 global TB report.

The Book of Night Women Aug 21 2021 From the author of the National Book Award finalist *Black Leopard, Red Wolf* and the WINNER of the 2015 Man Booker Prize for *A Brief History of Seven Killings* "An undeniable success." — The New York Times Book Review A true triumph of voice and storytelling, *The Book of Night Women* rings with both profound authenticity and a distinctly contemporary energy. It is the story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the slave women around her recognize a dark power that they- and she-will come to both revere and fear. The Night Women, as they call themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book-the secret to the stirring imagery and insistent prose-is Marlon James himself, a young writer at once breathtakingly daring and wholly in command of his craft.

**Revenge of the Translator** Sep 09 2020 The work of a novelist and translator collide in this visionary and hilarious debut from acclaimed French writer Brice Matthieussent. *Revenge of the Translator* follows Trad, who is translating a mysterious author's book,

Translator's Revenge, from English to French. The book opens as a series of footnotes from Trad, as he justifies changes he makes. As the novel progresses, Trad begins to take over the writing, methodically breaking down the work of the original writer and changing the course of the text. The lines between reality and fiction start to blur as Trad's world overlaps with the characters in Translator's Revenge, who seem to grow more and more independent of Trad's increasingly deranged struggle to control the plot. Revenge of the Translator is a brilliant, rule-defying exploration of literature, the act of writing and translating, and the often complicated relationship between authors and their translators.
