*Of Course It's a Big Deal* Nov 09 2020 Braden, from the Executive FUNction series, is back - and he delivers the drama to every minor misunderstanding, grievance and annoyance in his life! What was supposed to be a carefree afternoon of go-cart racing and putt-putt golfing quickly turns sour when Braden shouts and pouts about the rules. (Turns out, he's too short to drive a go-cart.) Hearing his parents say the rules are the rules only makes him madder. "They haven't been kids in like 100 years or something!" he fumes. At home, there's more frustration. One situation involves a baseball game, a blanket and the family TV. There's even an ice cream sundae scandal at his mom's

birthday dinner!

**The Tyranny of Big Tech** Feb 22 2022 The reign of Big Tech is here, and Americans' First Amendment rights hang by a keystroke. Amassing unimaginable amounts of personal data, giants like Google, Facebook, Amazon, and Apple—once symbols of American ingenuity and freedom—have become a techno-oligarchy with overwhelming economic and political power. Decades of unchecked data collection have given Big Tech more targeted control over Americans' daily lives than any company or government in the world. In *The Tyranny of Big Tech*, Senator Josh Hawley of Missouri argues that these mega-corporations—controlled by the robber barons of the modern era—are

the gravest threat to American liberty in decades. To reverse course, Hawley argues, we must correct progressives' mistakes of the past. That means recovering the link between liberty and democratic participation, building an economy that makes the working class strong, independent, and beholden to no one, and curbing the influence of corporate and political elites. Big Tech and its allies do not deal gently with those who cross them, and Senator Hawley proudly bears his own battle scars. But hubris is dangerous. The time is ripe to overcome the tyranny of Big Tech by reshaping the business and legal landscape of the digital world.

*The One Year Bible NIV* Mar 14 2021 Each reading includes a passage from the Old Testament and one from the New, along with a Psalm and one or two Proverbs.

[The Investment Dealers' Digest](#) Apr 14 2021

**Henry V** Sep 27 2019 By the time depicted in this play, Henry has turned into the greatest of English kings. Though he has retained the common touch and sense of humor he showed as Falstaff's bosom buddy in the two parts of Henry IV, he has become fiercely focused. He punishes those who have plotted against him; in battle against the French, he shows himself an indomitable leader of men; and, at the end, he conquers even the heart of Catherine, the beautiful daughter of the French king. Henry V is one of the most popular of Shakespeare's plays — partly because it brings further news of the downward-spiraling fortunes of some of the beloved scoundrels from Henry IV, and partly because it is so intensely patriotic. Who can keep dry-eyed, who can keep his or her heart from welling up, when Henry gives his great speech before the battle of Agincourt?

[Your Four-Year-Old](#) Aug 07 2020 What is it about four-year-olds that makes them so lovable? What problems do four-year-olds have? What can they do now that they couldn't do at three? Drs. Ames and Ilg, recognized authorities on child behavior and development, discuss these and scores of other questions unique to four-year-old girls and boys, and they offer parents practical advice and enlightening psychological insights. Can Your Four-Year-Old make you a happier, less stressed, and more efficient parent? You bet! Find out about: • Embarrassing moments

. . . how to deal with a four-year-old's fascination with bowel movements, belly buttons, body parts, and forbidden words—without turning red. • Words that will work a miracle . . . what to say to give your child and instant smile, raise self-esteem, and change behavior quicker than criticism. • Hyperactivity . . . how to determine if your “always on the go” four-year-old is truly hyperactive. • Kindergarten readiness . . . school too soon can cause lifelong problems, so note this warning for parents of “fall babies.” • Encouraging creativity . . . fifteen activities you can initiate to stimulate your child's natural talents and have a great time too! • Your child's body type: round and plump or bony and angular . . . does it predict behavior, temperament, and social success? . . . and more!

*The Deal* Apr 02 2020 Hannah Wells has finally found someone who turns her on. But while she might be confident in every other area of her life, she's carting around a full set of baggage when it comes to sex and seduction. If she wants to get her crush's attention, she'll have to step out of her comfort zone and make him take notice...even if it means tutoring the annoying, childish, cocky captain of the hockey team in exchange for a pretend date. All Garrett Graham has ever wanted is to play professional hockey after graduation, but his plummeting GPA is threatening everything he's worked so hard for. If helping a sarcastic brunette make another guy jealous will help him secure his position on the team, he's all for it. But when one unexpected kiss leads to the wildest sex of both their lives, it doesn't take long for Garrett to realize that pretend isn't going to cut it. Now he just has to convince Hannah that the man she wants looks a lot like him.

*Testing the New Deal* Dec 11 2020 In September 1934 two-thirds of the southern textile labor force walked off their jobs, inspired by Roosevelt's New Deal to protest employer harassment and massive industry restructuring. After three weeks, the union that led the strike called it off in return for government promises that remained unfulfilled. Thousands of workers were blacklisted and conditions in the southern mills deteriorated rapidly. Humiliated and demoralized, strike participants maintained a sixty-year silence that virtually eliminated the event from historical memory. Janet Irons steps into this historical vacuum to

explore the community and workplace dynamics of southern mill towns in the years leading up to the strike, as well as the links among worker insurgency, organized labor, and governmental policy in the New Deal's crucial first years. Drawing on industry and union records, newspaper sources, oral histories, records of the New Deal bureaucracy, and thousands of letters written by southern laborers to President Roosevelt about their working conditions, Irons reveals the dual nature of the New Deal's impact on the South. While its rhetoric mobilized the poor to challenge local established authority, the New Deal's political structure worked in the opposite direction, reinforcing the power of the South's economic elite. A powerful rendering of a pivotal event, Testing the New Deal stands as a major reassessment of southern labor in the 1930s.

**Sir Gawain and the Green Knight** Dec 31 2019 Chrysanthemum loves her name, until she starts going to school and the other children make fun of it.

**Approaching the Millennium** Oct 28 2019

**The One Year Book of Hope** Jan 12 2021 Filled with illuminating reflections drawn from the Word of God, this daily devotional, featuring a year's worth of thought-provoking entries, provides comfort, encouragement, and support to help us deal with times of great loss, uncertainty, and difficulty. Original.

**Groupon's Biggest Deal Ever** Sep 19 2021 "It's hard to overstate how big a year it was for Mr. Mason. His company went public, he became a billionaire, and the daily-coupon-deals phenomenon he pioneered has seemingly swept the nation." ---Andrew Ross Sorkin, The New York Times DealBook, January 2, 2012 Groupon's Biggest Deal Ever is the exclusive, behind-the-scenes account of the incredible rise of discount coupon giant Groupon and the compelling story of its offbeat founder, Andrew Mason, as he created a juggernaut of online commerce and ignited a consumer revolution that is disrupting how people shop all over the world. Love him for saving you 50 percent on last night's Indian dinner or hate him for cashing in big when he could be losing millions for merchants and investors alike, Mason---Groupon's thirtysomething founder and CEO---made an incredible gamble when he turned down

Google's \$6 billion buyout offer to go it alone. The experts thought he was insane. Groupon was little more than two years old and staffed from top to bottom with twentysomethings. The wild ride couldn't last, but Mason thought otherwise, and with dreams of a potential IPO that could be massive, he liked his odds. But did he make the right decision, or did he blow a chance to continue to grow "the fastest growing company in history"? Is Mason an Internet genius, or is he sitting on another bubble that could burst at any moment? While everyone has an opinion on Groupon, Frank Sennett has written the only inside account. With exclusive access, interviews, and documents that no one outside of the company has seen or been able to report on, Groupon's Biggest Deal Ever has every twist and turn from start-up to IPO and is the real story of Mason's audacious gamble and the meteoric rise of Groupon from start-up to \$16.7 billion online giant.

*One Question a Day: A Five-Year Journal* Jun 16 2021 An inspiring five year journal to get anybody writing and remembering.

**Employer Bargaining Objectives** Jan 24 2022

**One Year Home** May 28 2022 He came home a hero and lost the only woman he's ever loved... John I have no idea how to survive without my beloved Ava. She had no choice but to move on with her life during my six-year deployment and has now married Eric. I hate him for taking her from me. I'd prefer to wallow in my depression and heartbreak, but the whole damned world wants a piece of the SEAL Team leader who helped capture the world's most-wanted terrorist. I need help handling the relentless requests, and when Ava sends her new sister-in-law to manage the media circus for me, I'm prepared to hate her on principle. Her brother took my Ava. What else do I need to know about her? Julianne It takes five seconds to realize Ava's ex is going to be the most complicated and difficult client I've ever had, but the opportunity to represent the most celebrated man in the world could make my career. I'm determined to do the job, even if I dislike John from the moment I meet him. And I like everyone. So much so that my brothers worry about me being exploited by those who would take advantage of my unwavering love for others. But John... He's in a class by himself, and his bitterness is a

festering wound that I begin to wish I could somehow fix for him. The more time we spend together, the more our mutual disdain morphs into something that feels an awful lot like desire. There's no way I can want this man, or so I tell myself, and when Eric finds out I've developed feelings for the man causing trouble in his new marriage, well... That's going to be a hot mess. The hotly anticipated follow up to Five Years Gone is here!

**Here's the Deal** Mar 26 2022 Among the Trump era's savviest insiders, one name stands especially tall: Kellyanne. As a highly respected pollster for corporate and Republican clients and a frequent television talk show guest, Kellyanne Conway had already established herself as one of the brightest lights on the national political scene when Donald Trump asked her to run his presidential campaign. She agreed, delivering him to the White House, becoming the first woman in American history to manage a winning presidential campaign, and changing the American landscape forever. Who she is, how she did it, and who tried to stop her is a fascinating story of personal triumph and political intrigue that has never been told...until now. In Here's The Deal, Kellyanne takes you on a journey all the way to the White House and beyond with her trademark sharp wit, raw honesty, and level eye. It's all here: what it's like to be dissected on national television. How to outsmart the media mob. How to outclass the crazy critics. How to survive and succeed male-dominated industries. What happens when the perils of social media really hit home. And what happens when the divisions across the country start playing out in one's own family. In this open and vulnerable account, Kellyanne turns the camera on herself. What she has to share—about our politics, about the media, about her time in the White House, and about her personal journey—is an astonishing glimpse of visibility and vulnerability, of professional and personal highs and lows, and ultimately, of triumph.

**Deal with the Devil** Mar 02 2020 In Deal with the Devil, five-time Emmy Award-winning investigative reporter Peter Lance draws on three decades of once-secret FBI files to tell the definitive story of Greg Scarpa Sr., a Mafia capo who “stopped counting” after fifty murders, while secretly betraying the Colombo crime family as a Top Echelon FBI

informant. Lance traces Scarpa's shadowy relationship with the FBI all the way back to 1960, when his debriefings went straight to J. Edgar Hoover. In forty-two years of murder and racketeering, Scarpa served only thirty days in jail thanks to his secret relationship with the Feds. This is the untold story that will rewrite Mafia history as we know it—a page-turning work of journalism that reads like a Scorsese film. Deal with the Devil includes more than 130 illustrations, crime scene photos, and never-before-seen FBI documents.

Pitch Anything: An Innovative Method for Presenting, Persuading, and Winning the Deal Nov 29 2019 Gold Medal Winner--Tops Sales World's Best Sales and Marketing Book “Fast, fun and immensely practical.” —JOE SULLIVAN, Founder, Flextronics “Move over Neil Strauss and game theory. Pitch Anything reveals the next big thing in social dynamics: game for business.” —JOSH WHITFORD, Founder, Echelon Media “What do supermodels and venture capitalists have in common? They hear hundreds of pitches a year. Pitch Anything makes sure you get the nod (or wink) you deserve.” —RALPH CRAM, Investor “Pitch Anything offers a new method that will differentiate you from the rest of the pack.” —JASON JONES, Senior Vice President, Jones Lang LaSalle “If you want to pitch a product, raise money, or close a deal, read Pitch Anything and put its principles to work.” —STEVEN WALDMAN, Principal and Founder, Spectrum Capital “Pitch Anything opened my eyes to what I had been missing in my presentations and business interactions.” —LOUIE UCCIFERRI, President, Regent Capital Group “I use Oren's unique strategies to sell deals, raise money, and handle tough situations.” —TAYLOR GARRETT, Vice President, White Cap “A counter-intuitive method that works.” —JAY GOYAL, CEO, SumOpti About the Book: When it comes to delivering a pitch, Oren Klaff has unparalleled credentials. Over the past 13 years, he has used his one-of-a-kind method to raise more than \$400 million—and now, for the first time, he describes his formula to help you deliver a winning pitch in any business situation. Whether you're selling ideas to investors, pitching a client for new business, or even negotiating for a higher salary, Pitch Anything will transform the way you position your ideas. According to Klaff, creating

and presenting a great pitch isn't an art—it's a simple science. Applying the latest findings in the field of neuroeconomics, while sharing eye-opening stories of his method in action, Klaff describes how the brain makes decisions and responds to pitches. With this information, you'll remain in complete control of every stage of the pitch process. Pitch Anything introduces the exclusive STRONG method of pitching, which can be put to use immediately: Setting the Frame Telling the Story Revealing the Intrigue Offering the Prize Nailing the Hookpoint Getting a Decision One truly great pitch can improve your career, make you a lot of money—and even change your life. Success is dependent on the method you use, not how hard you try. "Better method, more money," Klaff says. "Much better method, much more money." Klaff is the best in the business because his method is much better than anyone else's. And now it's yours. Apply the tactics and strategies outlined in Pitch Anything to engage and persuade your audience—and you'll have more funding and support than you ever thought possible.

**Mazes for 5 Year Olds (My Book of Mazes** Sep 07 2020 Mazes are often thought of as games for children or simply a meager way to pass the time, however, there are many different uses for mazes that most people do not realize. There are various books that have been released that contain mazes that are thought to increase brain capacity and problem solving skills. Some may wonder, how something that was previously labeled as a children's device turn into a learning tool and a skill increasing tool for both adults and children. How would mazes for 5 year olds book benefit anyone? Well, the answer is quite simple. Mazes focus on memory, brain stamina, and conceptual thinking.

**Rural Rides** Jan 30 2020 Rural Rides is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing Rural Rides, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent

to Cobbett's opinions

**Unbelievably Good Deals that You Absolutely Can't Get Unless You're a Parent** Jul 30 2022 In the tradition of the bestselling "Unbelievably Good Deals and Great Adventures That You Can't Get Unless You're Over 50", this comprehensive sourcebook just for moms and dads lists thousands of fantastic offers for everything from travel, sports and recreation to clothes, food, and education--all for little or no cost.

**Kiplinger's Personal Finance** Jun 04 2020 The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

**Trump: The Art of the Deal** Aug 31 2022 President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested

guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks—really talks—about how he does it. *Trump: The Art of the Deal* is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for *Trump: The Art of the Deal* “Trump makes one believe for a moment in the American dream again.”—The New York Times “Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet.”—Chicago Tribune “Fascinating . . . wholly absorbing . . . conveys Trump's larger-than-life demeanor so vibrantly that the reader's attention is instantly and fully claimed.”—Boston Herald “A chatty, generous, chutzpa-filled autobiography.”—New York Post

With dozens of examples and case studies, you finally have the blueprint to

make a million dollars a year flipping houses...

*Big Deal* Oct 01 2022 In 1988, best-selling biographer Anthony Holden spent one year living the life of a professional poker player. His mesmerizing account of that year went on to become a classic of the genre, an inspiration to innumerable poker players and poker memoirists who followed. *Big Deal* is his story of days and nights in Las Vegas, Malta, and Morocco, mingling with the greats, sharpening his game, perfecting his repartee, and learning a great deal about himself in the process. Poker, Holden would insist, is a paradigm of life at its most intense, a gladiatorial contest that brings out the best as well as the worst in people. The heroes and eccentrics of the poker world stalk the pages of this remarkable book, along with all the hairraising, nail-biting excitement of the game itself.

*Don't go there. It's not safe. You'll die. And other more >> rational advice for overlanding Mexico & Central America* May 16 2021 Your complete guide for overlanding in Mexico and Central America. **The Parliamentary Debates (official Report).** Oct 09 2020

**One Year to an Organized Financial Life** Aug 19 2021 Presents a week-by-week plan to achieve financial peace of mind, with advice on such topics as sticking to a budget, curbing credit card debt, saving on taxes, refinancing a mortgage, and planning for a child's college education.

**Bigger Deal** Nov 02 2022 The author of *Big Deal* tests his card skills against the changed world of poker in the twenty-first century at a

worldwide tournament that pits promising first-timers who have never played except on the Internet with long-standing professionals who are finding themselves outmatched. Reprint. 17,500 first printing.

**The Deal of a Lifetime** May 04 2020 It's Christmas Even morning.

Years ago a man abandoned his son to pursue professional success; now he wonders if it's too late to forge a relationship with him. One week earlier, in a hospital late at night, the man met a five-year-old girl with cancer. When the man is given the chance to do something selfless that could change the destiny of the little girl in the hospital bed, he needs to find out what his own life has actually been worth in the eyes of his son before he makes the deal of a lifetime.

Before and After the Book Deal Jun 28 2022 Everything you've ever wanted to know about publishing but were too afraid to ask is right here in this funny, candid guide written by an acclaimed author. There are countless books on the market about how to write better but very few books on how to break into the marketplace with your first book. Cutting through the noise (and very mixed advice) online, while both dispelling rumors and remaining positive, Courtney Maum's *Before and After the Book Deal* is a one-of-a-kind resource that can help you get your book published. *Before and After the Book Deal: A Writer's Guide to Finishing, Publishing, Promoting, and Surviving Your First Book* has over 150 contributors from all walks of the industry, including international bestselling authors Anthony Doerr, Roxane Gay, Garth Greenwell, Lisa Ko, R. O. Kwon, Rebecca Makkai, and Ottessa Moshfegh, alongside cult favorites Sarah Gerard, Melissa Febos, Mitchell S. Jackson, and Mira Jacob. Agents, film scouts, film producers, translators, disability and minority activists, and power agents and editors also weigh in, offering advice and sharing intimate anecdotes about even the most taboo topics in the industry. Their wisdom will help aspiring authors find a foothold in the publishing world and navigate the challenges of life before and after publication with sanity and grace. Are MFA programs worth the time and money? How do people actually sit down and finish a novel? Did you get a good advance? What do you do when you feel envious of other writers? And why the heck aren't your friends saying anything about your book?

Covering questions ranging from the logistical to the existential (and everything in between), *Before and After the Book Deal* is the definitive guide for anyone who has ever wanted to know what it's really like to be an author.

**The Daily Jane Austen** Jul 26 2019 It is a truth universally acknowledged that Jane Austen is eminently, delightfully, and delectably quotable. This truth goes far beyond the first line of *Pride and Prejudice*, which has muscled out many other excellent sentences. So many gems of wit and wisdom from her novels deserve to be better known, from *Northanger Abbey* on its lovable, naive heroine—"if adventures will not befall a young lady in her own village, she must seek them abroad"—to *Persuasion*'s moving lines of love from its regret-filled hero: "You pierce my soul. I am half agony, half hope. Tell me not that I am too late." Devoney Looser, a.k.a. Stone Cold Jane Austen, has drawn 378 genuine, Austen-authored passages from across the canon, resulting in an anthology that is compulsively readable and repeatable. Whether you approach the collection on a one-a-day model or in a satisfying binge read, you will emerge wiser about Austen, if not about life. *The Daily Jane Austen* will amuse and inspire skeptical beginners, Janeite experts, and every reader in between by showcasing some of the greatest sentences ever crafted in the history of fiction.

Shut Up and Deal Dec 23 2021 In 1987, there was legalized poker in Nevada and in one county of California. Author Jesse May was seventeen years old and already hooked. By 1996, poker could be legally played in casinos in over twenty states of the union and five countries in Europe. Legalization changed the face of poker, and as the game came of age, so did May, who by 1989 had dropped out of the University of Chicago after one year due to irreconcilable differences between Tuesday- and Thursday-morning classes and Monday- and Wednesday-night poker games. Based on his experiences in the strange world of poker, May's debut novel *Shut Up and Deal* is the story of a nontraditional '90s slacker, a dropout with an incurable obsession and incredible stamina, who makes a career in a profession where the only goals are to stay in action and to not go broke. In *Shut Up and Deal*, a professional poker

player takes readers along on his adventures over several years in and out of casinos and card rooms in locales such as Las Vegas, Atlantic City, and Amsterdam. Told in a catching, likeable voice, this story offers up one rip-roaring poker-table drama after another, with narrator Mickey ultimately finding himself in a spot that jeopardizes his entire bankroll and calls into question his morals, such as they are. In rhythmic, high-octane prose that is as addictive as the game it describes, *Shut Up and Deal* zooms in on the swirling, feverish microcosm of the contemporary poker world from its very first line and never cuts away.

**Here's the Deal** Nov 21 2021 Among the Trump era's savviest insiders, one name stands especially tall: Kellyanne. As a highly respected pollster for corporate and Republican clients and a frequent television talk show guest, Kellyanne Conway had already established herself as one of the brightest lights on the national political scene when Donald Trump asked her to run his presidential campaign. She agreed, delivering him to the White House, becoming the first woman in American history to manage a winning presidential campaign, and changing the American landscape forever. Who she is, how she did it, and who tried to stop her is a fascinating story of personal triumph and political intrigue that has never been told...until now. In *Here's The Deal*, Kellyanne takes you on a journey all the way to the White House and beyond with her trademark sharp wit, raw honesty, and level eye. It's all here: what it's like to be dissected on national television. How to outsmart the media mob. How to outclass the crazy critics. How to survive and succeed male-dominated industries. What happens when the perils of social media really hit home. And what happens when the divisions across the country start playing out in one's own family. In this open and vulnerable account, Kellyanne turns the camera on herself. What she has to share—about our politics, about the media, about her time in the White House, and about her personal journey—is an astonishing glimpse of visibility and vulnerability, of professional and personal highs and lows, and ultimately, of triumph.

**The One Year Devotions for Women** Oct 21 2021 Peace--don't we all

want just a little more peace in our lives? Peace in relationships. Peace at home and at work. Peace from painful memories. Release from pressures and demands that threaten to crush us. Is there a way to find peace in all these areas? What if we could build a moment of peace into every day of the year, opening our hearts to the peace God has promised? Wouldn't it be great to live with less fear and anxiety, and with more confidence and joy? *The One Year Devotions for Women: Becoming a Woman at Peace* is a chance to spend time with God every day, to breathe deeply and grab onto the kind of peace that only God can offer--a peace far richer and more satisfying than anything we can hope or imagine. Each of these uplifting devotions includes a key NLT Scripture verse, a devotional reading, and a suggested prayer for connecting with God.

**A New Deal for Cancer** Apr 26 2022 An unprecedented constellation of experts—leading cancer doctors, policymakers, cutting-edge researchers, national advocates, and more—explore the legacy and the shortcomings from the fifty-year war on cancer and look ahead to the future. The longest war in the modern era, longer than the Cold War, has been the war on cancer. Cancer is a complex, evasive enemy, and there was no quick victory in the fight against it. But the battle has been a monumental test of medical and scientific research and fundraising acumen, as well as a moral and ethical challenge to the entire system of medicine. In *A New Deal for Cancer*, some of today's leading thinkers, activists, and medical visionaries describe the many successes in the long war and the ways in which our deeper failings as a society have held us back from a more complete success. Together they present an unrivaled and nearly complete map of the battlefield across dimensions of science, government, equity, business, the patient provider experience, and more, documenting our emerging understanding of cancer's many unique dimensions and offering bold new plans to enable the American health care system to deliver progress and hope to all patients.
