Prison Memoirs of An Anarchist Oct 09 2020 Reproduction of the original: Prison Memoirs of An Anarchist by Alexander Berkman

Mother Earth Dec 11 2020

Anarchism and Other Essays Jan 24 2022 Among the men and women prominent in the public life of America there are but few whose names are mentioned as often as that of Emma Goldman. Yet the real Emma Goldman is almost quite unknown. The sensational press has surrounded her name with so much misrepresentation and slander, it would seem almost a miracle that, in spite of this web of calumny, the truth breaks through and a better appreciation of this much maligned idealist begins to manifest itself. There is but little consolation in the fact that almost every representative of a new idea has had to struggle and suffer under similar difficulties. Is it of any avail that a former president of a republic pays homage at Osawatomie to the memory of John Brown? Or that the president of another republic participates in the unveiling of a statue in honor of Pierre Proudhon, and holds up his life to the French nation as a model worthy of enthusiastic emulation? Of what avail is all this when, at the same time, the LIVING John Browns and Proudhons are being crucified? The honor and glory of a Mary Wollstonecraft or of a Louise Michel are not enhanced by the City Fathers of London

or Paris naming a street after themÑthe living generation should be concerned with doing justice to the LIVING Mary Wollstonecrafts and Louise Michels. Posterity assigns to men like Wendel Phillips and Lloyd Garrison the proper niche of honor in the temple of human emancipation; but it is the duty of their contemporaries to bring them due recognition and appreciation while they live. The path of the propagandist of social justice is strewn with thorns. The powers of darkness and injustice exert all their might lest a ray of sunshine enter his cheerless life. Nay, even his comrades in the struggleÑindeed, too often his most intimate friendsÑshow but little understanding for the personality of the pioneer. Envy, sometimes growing to hatred, vanity and jealousy, obstruct his way and fill his heart with sadness. It requires an inflexible will and tremendous enthusiasm not to lose, under such conditions, all faith in the Cause. The representative of a revolutionizing idea stands between two fires: on the one hand, the persecution of the existing powers which hold him responsible for all acts resulting from social conditions; and, on the other, the lack of understanding on the part of his own followers who often judge all his activity from a narrow standpoint. Thus it happens that the agitator stands quite alone in the midst of the multitude surrounding him. Even his most intimate friends rarely understand how solitary and deserted he feels. That is the tragedy of the person prominent in the public eye.É

The Selected Works of Voltairine de Cleyre: Poems, Essays, Sketches and Stories,

1885-1911 Jun 24 2019 Poems, essays, and stories from a pioneer of women's liberation and American anarchism. De Cleyre buried in Waldheim in 1912.

Marriage and Love Sep 07 2020

Mother Earth Jul 18 2021 A monthly magazine devoted to social science and literature.

A Dangerous Woman Jan 12 2021 Recounts the life of Emma Goldman, from her childhood in czarist

Russia and emigration to the United States, to her participation in communist, anarchist, and feminist activities and her fight against fascism during the Spanish Civil War.

Living My Life Mar 26 2022 Anarchist, journalist, drama critic, advocate of birth control and free love, Emma Goldman was the most famous—and notorious—woman in the early twentieth century. This abridged version of her two-volume autobiography takes her from her birthplace in czarist Russia to the socialist enclaves of Manhattan's Lower East Side. Against a dramatic backdrop of political argument, show trials, imprisonment, and tempestuous romances, Goldman chronicles the epoch that she helped shape: the reform movements of the Progressive Era, the early years of and later disillusionment with Lenin's Bolshevik experiment, and more. Sounding a call still heard today, Living My Life is a riveting account of political ferment and ideological turbulence. First time in Penguin Classics Condensed to half the length of Goldman's original work, this edition is accessible to those interested in the activist and her extraordinary era

Red Emma Speaks Aug 26 2019 A comprehensive collection of writings and lectures by one of twentieth-century America's most important political activists, with two essays by editor Alix Kates Shulman, a leader of feminism's second wave Emma Goldman's fiery speeches and essays made her a household name in the early 1900s. Collected here are the most significant of her writings, supplemented with an essay on Goldman's feminist politics and a short biography, both by bestselling author Alix Kates Shulman. Including both published and previously unpublished works, Red Emma Speaks is an important historical volume and a fascinating look at the life and times of a major early feminist figure.

Proletarian Days Jul 06 2020 The first collection of writings by Hippolyte Havel, a figure at the center of New York's turn-of-the-century political and artistic circles. A prolific writer and tireless

activist, Havel (1871-1950) contributed dozens of articles, essays, and reviews to anarchist periodicals, including Emma Goldman's *Mother Earth*. His influence on several writers, artists, and intellectuals (e.g., Eugene O'Neill, Joseph Stieglitz, Sadakichi Hartmann, etc.) helped shape American modernism. *Proletarian Days* renews his legacy and demonstrates his influence on international revolutionary politics, the development of modern art and literature, and the culture of twentieth-century America. Featuring an introduction by historian Barry Pateman.

Mother Earth Jul 26 2019 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Mother Earth Dec 31 2019 A monthly magazine devoted to social science and literature.

Mother Earth, Vol. I, No. 1 May 16 2021 *Mother Earth* was a radical political journal first published in March 1906 by anarchist Emma Goldman (1869-1940). Alexander Berkman, another wellknown anarchist, was the magazine's typesetter. *Mother Earth* was a political journal that

advocated radical political causes, labor agitation, and opposition to the U. S. government on a variety of issues. Its subscribers and supporters formed a virtual 'who's who' of the radical left in America in the years prior to 1920. In 1917, Mother Earth began to openly call for opposition to American entry into World War I and specifically to disobey government laws on conscription and registration for the military draft. Mother Earth remained in monthly circulation until August 1917. *Emma Goldman Anarchism and Other Essays* Jan 30 2020 Anarchism and Other Essays is a 1910 essay collection by Emma Goldman, first published by Mother Earth Publishing. The essays outline Goldman's anarchist views on a number of subjects, most notably the oppression of women and perceived shortcomings of first wave feminism, but also prisons, political violence, sexuality, religion, nationalism and art theory. Hippolyte Havel contributed a short biography of Goldman to the anthology. Lori Jo Marso argues that Goldman's essays, in conjunction with her life and thought, make important contributions to ongoing debates in feminism, including around "the connections and tensions between sexuality, love and feminist politics". Contents of Anarchism and Other Essays include: Anarchism: What It Really Stands For Minorities Versus Majorities The Psychology of Political Violence Prisons: A Social Crime and Failure Patriotism: A Menace to Liberty Francisco Ferrer and The Modern School The Hypocrisy of Puritanism The Traffic in Women (1910) Woman Suffrage The Tragedy of Woman's Emancipation Marriage and Love The Drama: A Powerful Disseminator of Radical Thought

The Essential Emma Goldman Sep 19 2021 The Essential Emma Goldman was originally published in 1910 by Mother Earth Publishing Association as Anarchism and Other Essays.

[Emma Goldman, Vol. 2](#) Aug 07 2020 A unique history of one of American radicalism's most fiercely outspoken figures

Sasha and Emma May 04 2020 In 1889 Emma Goldman and Alexander Berkman met in a Lower East Side coffee shop. Over the next fifty years they became fast friends, fleeting lovers, and loyal comrades. This dual biography offers a glimpse into their intertwined lives, the influence of the anarchist movement they shaped, and their unyielding commitment to equality and justice.

Minorities Versus Majorities Nov 09 2020

Emma Goldman Apr 02 2020 Emma Goldman has often been read for her colorful life story, her lively if troubled sex life, and her wide-ranging political activism. Few have taken her seriously as a political thinker, even though in her lifetime she was a vigorous public intellectual within a global network of progressive politics. Engaging Goldman as a political thinker allows us to rethink the common dualism between theory and practice, scrutinize stereotypes of anarchism by placing Goldman within a fuller historical context, recognize the remarkable contributions of anarchism in creating public life, and open up contemporary politics to the possibilities of transformative feminism.

Mother Earth Bulletin Nov 21 2021

My Disillusionment in Russia Jun 04 2020

Ragtime Apr 14 2021 Selected by the Modern Library as one of the 100 best novels of all time Published in 1975, Ragtime changed our very concept of what a novel could be. An extraordinary tapestry, Ragtime captures the spirit of America in the era between the turn of the century and the First World War. The story opens in 1906 in New Rochelle, New York, at the home of an affluent American family. One lazy Sunday afternoon, the famous escape artist Harry Houdini swerves his car into a telephone pole outside their house. And almost magically, the line between fantasy and historical fact, between real and imaginary characters, disappears. Henry Ford, Emma Goldman, J.

P. Morgan, Evelyn Nesbit, Sigmund Freud, and Emiliano Zapata slip in and out of the tale, crossing paths with Doctorow's imagined family and other fictional characters, including an immigrant peddler and a ragtime musician from Harlem whose insistence on a point of justice drives him to revolutionary violence.

Mother Earth, Vol. I Oct 28 2019 "THERE was a time when men imagined the Earth as the center of the universe. The stars, large and small, they believed were created merely for their delectation. It was their vain conception that a supreme being, weary of solitude, had manufactured a giant toy and put them into possession of it."

Sasha and Emma Feb 10 2021 In 1889 Emma Goldman and Alexander Berkman met in a Lower East Side coffee shop. Over the next fifty years they became fast friends, fleeting lovers, and loyal comrades. This dual biography offers a glimpse into their intertwined lives, the influence of the anarchist movement they shaped, and their unyielding commitment to equality and justice.

Love, Anarchy, & Emma Goldman Jun 28 2022 More than an account of Emma Goldman's legendary career as a political activist, this biography offers an intimate look into her tumultuous affair with Chicago activist and red-light-district gynecologist Ben Reitman. As it charts her twin passions for Reitman and for social reform, it provides new insights into a brilliant, complex woman.

Anarchism and Other Essays Mar 14 2021

Anarchy and the Sex Question Jun 16 2021 This book is a small collection of some of Emma Goldman's essays, from "Mother Earth" to "What I Believe". Despite the works being more than a century old, they hold a very interesting perspective that, even currently, are regarded as radical. Emma Goldman was an activist who dedicated most of her life to having a new social order, which she believed could only happen under anarchism and the given equal value of person by feminism

with societal atheism. She died in 1940, leaving behind a large intellectual legacy, as many anarchist philosophers do.

Mother Earth Dec 23 2021

Emma Goldman Aug 19 2021 Based on newly discovered correspondence, this book reveals the private life behind the public legend of "Red Emma," a Jewish immigrant, anarchist, and supporter of women's rights and sexual freedom

Undomesticated Ground Nov 29 2019 From "Mother Earth" to "Mother Nature," women have for centuries been associated with nature. Feminists, troubled by the way in which such representations show women controlled by powerful natural forces and confined to domestic space, have sought to distance themselves from nature. In *Undomesticated Ground*, Stacy Alaimo issues a bold call to reclaim nature as feminist space. Her analysis of a remarkable range of feminist writings—as well as of popular journalism, visual arts, television, and film—powerfully demonstrates that nature has been and continues to be an essential concept for feminist theory and practice. Alaimo urges feminist theorists to rethink the concept of nature by probing the vastly different meanings that it carries. She discusses its significance for Americans engaged in social and political struggles from, for example, the "Indian Wars" of the early nineteenth century, to the birth control movement in the 1920s, to contemporary battles against racism and heterosexism. Reading works by Catherine Sedgwick, Mary Austin, Emma Goldman, Nella Larson, Donna Haraway, Toni Morrison, and others, Alaimo finds that some of these writers strategically invoke nature for feminist purposes while others cast nature as a postmodern agent of resistance in the service of both environmentalism and the women's movement. By examining the importance of nature within literary and political texts, this book greatly expands the parameters of the nature writing genre and establishes nature as a

crucial site for the cultural work of feminism.

Emma Goldman, Mother Earth, and the Anarchist Awakening Jul 30 2022 This book unveils the history and impact of an unprecedented anarchist awakening in early twentieth-century America. Mother Earth, an anarchist monthly published by Emma Goldman, played a key role in sparking and spreading the movement around the world. One of the most important figures in revolutionary politics in the early twentieth century, Emma Goldman (1869-1940) was essential to the rise of political anarchism in the United States and Europe. But as Rachel Hui-Chi Hsu makes clear in this book, the work of Goldman and her colleagues at the flagship magazine Mother Earth (1906-1917) resonated globally, even into the present day. As a Russian Jewish immigrant to the United States in the late nineteenth century, Goldman developed a keen voice and ideology based on labor strife and turbulent politics of the era. She ultimately was deported to Russia due to agitating against World War I. Hsu takes a comprehensive look at Goldman's impact and legacy, tracing her work against capitalism, advocacy for feminism, and support of homosexuality and atheism. Hsu argues that Mother Earth stirred an unprecedented anarchist awakening, inspiring an antiauthoritarian spirit across social, ethnic, and cultural divides and transforming U.S. radicalism. The magazine's broad readership--immigrant workers, native-born cultural elite, and professionals in various lines of work--was forced to reflect on society and their lives. Mother Earth spread the gospel of anarchism while opening it to diversified interpretations and practices. This anarchist awakening was more effective on personal and intellectual levels than on the collective, socioeconomic level. Hsu explores the fascinating history of Mother Earth, headquartered in New York City, and captures a clearer picture of the magazine's influence by examining the dynamic teamwork that occurred beyond Goldman. The active support of foreign revolutionaries fostered a borderless radical network that resisted all

state and corporate powers. Emma Goldman, "Mother Earth," and the Anarchist Awakening will attract readers interested in early twentieth-century history, transnational radicalism, and cosmopolitan print culture, as well as those interested in anarchism, anti-militarism, labor activism, feminism, and Emma Goldman.

Emma Goldman May 28 2022 One of the most colorful, controversial and radical figures in American history, Emma Goldman challenged the legitimacy of religion, government, and private property in the United States. Imprisoned, tried, and later deported for her beliefs, the Goldman story is a window through which students will see a better picture of the history of American radicalism, the history of civil liberties in America, and the history of American foreign policy. The titles in the Library of American Biography Series make ideal supplements for American History Survey courses or other courses in American history where figures in history are explored. Paperback, brief, and inexpensive, each interpretive biography in this series focuses on a figure whose actions and ideas significantly influenced the course of American history and national life. In addition, each biography relates the life of its subject to the broader themes and developments of the times.

Victims of Morality, and The Failure of Christianity Mar 02 2020

[Emma Goldman and the Russian Revolution](#) Sep 27 2019 What impact did Bolshevik rule have on Emma Goldmans's perception of the Russian Revolutions of 1917 and why did she change her mind, going from defending the Russian Revolution to becoming a crusader against Bolshevism? The Russian Revolution changed the world and determined the history of the 20th century as the French

Revolution had determined the history of the 19th century. Left-wing intellectuals around the world greeted the February Revolution with enthusiasm as their hope for a new world and social order and the end of capitalism seemed close. However, the joy did not last long as the ideals of February 1917 were replaced by the realities of October 1917 and Lenin crushed the revolution during the following Civil War. Emma Goldman, a famous Russian-born American anarchist was one of the intellectuals, whose admiration for the revolution turned into frustration about its corruption. Emma Goldman and the Russian Revolution discusses her evolving perception of the revolution between 1917 and the early 1920s. The analysis of such an intellectual transformation process, provides a case study of intellectual and revolutionary history alike, adding a closer reading to the research about the famous American anarchist, Emma Goldman, her transnational life and her role as a revolutionary intellectual.

We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Anarchism Oct 21 2021

Emma Goldman's No-Conscription League and the First Amendment Feb 22 2022 Emma Goldman's Supreme Court appeal occurred during a transitional point for First Amendment law, as justices began incorporating arguments related to free expression into decisions on espionage and sedition cases. This project analyzes the communications that led to her arrest—writings in *Mother Earth*, a mass-mailed manifesto, and speeches related to compulsory military service during World War I—as well as the ensuing legal proceedings and media coverage. The authors place Goldman's Supreme Court appeal in the context of the more famous Schenck and Abrams trials to demonstrate her place in First Amendment history while providing insight into wartime censorship and the attitude of the mainstream press toward radical speech.

Anarchy! Nov 02 2022 Making available a sampling of writings by Goldman, Tolstoy, Margaret Sanger, and other early 20th century radical thinkers from a foremost US anarchist journal, *Mother Earth* (1906-18), a New York writer-editor provides a general introduction and introductory notes to groupings by the themes of anarchism, the woman question, literature, civil liberties, the social war, and war and peace. Includes photos of Emma and journal covers. Annotation copyrighted by Book News Inc., Portland, OR

Anarchy! Oct 01 2022 In *Anarchy!* An Anthology of Emma Goldman's *Mother Earth*, Peter Glassgold brings to the page political activist and anarchist Emma Goldman's most radical contribution, *Mother Earth*, a monthly journal about social science and literature. Glassgold has compiled *Mother Earth*'s most provocative articles, with thematic categories ranging from "The Woman Question" to "The Social War" and features a diverse selection of writers, such as Leo Tolstoy, Margaret Sanger, Peter Kropotkin, and Alexander Berkman. *Mother Earth* was published from 1906 to 1918, when birth control, the labor movement, sexual freedom, and the arts were common subjects. The

supporters of the journal helped form what was the "radical left" in the United States at the turn of the century. Goldman was imprisoned and ultimately deported to her native Russia. This new edition includes the transcripts from the trial and the summations of both Alexander Berkman and Goldman. With a new preface by the editor, this book offers historical grounding to many of our contemporary political movements, from libertarianism to the Occupy! actions. Anarchy! provides unprecedented access to Goldman's beliefs, offering insight to the political activism that existed at the time.
