Conspiracy (The Plot to Kill Hitler #1) May 16 2021 Based on the real-life scheme to take down one of history's greatest monsters, this heart-pounding trilogy puts two courageous kids at the center of the plot to kill Adolf Hitler. Berlin, November 1943. With bombing raids commencing, the city is blanketed by explosions. Siblings Gerta and Max Hoffmann live a surprisingly carefree childhood amid the raids. Berlin is a city going about its business, even as it's attacked almost nightly. But one night, the air raid sirens wail, and the Hoffmanns' neighborhood is hit. A mortally wounded man comes to their door, begging to be let in. He asks for Karl Hoffmann, their father. Gerta and Max watch as Karl tries in vain to save the man's life. Before he dies, the stranger gives their father a bloodstained packet of documents, along with a message: "For the sake of humanity, the Führer must die. Finish it, Karl!" Based on real events, this is the story of two children swept up in a fight for the soul of Germany -- and the world.

Trieste And The Meaning Of Nowhere Mar 14 2021 Here's a book for lovers of all things Italian. This city on the Adriatic has always tantalized Jan Morris with its moodiness and changeability. After visiting Trieste for more than half a century, she has come to see it as a touchstone for her interests and preoccupations: cities, seas, empires. It has even come to reflect her own life in its loves, disillusionments, and memories. Her meditation on the place is characteristically layered with history and sprinkled with stories of famous visitors from James Joyce to Sigmund Freud. A lyrical travelogue, Trieste and the Meaning of Nowhere is also superb cultural history and the culmination of a singular career—"an elegant and bittersweet farewell" (Boston Globe).

Cosmos & Culture Sep 07 2020 From GPO Bookstore's Website: Authors with diverse backgrounds in science, history, anthropology, and more, consider culture in the context of the cosmos. How does our knowledge of cosmic evolution affect terrestrial culture? Conversely, how does our knowledge of cultural evolution affect our thinking about possible cultures in the cosmos? Are life, mind, and culture of fundamental significance to the grand story of the cosmos that has generated its own self-understanding through science, rational reasoning, and mathematics? Book includes bibliographical references and an index.

Teaching Plato in Palestine Jul 30 2022 A global journey showing how philosophy can transform our biggest disagreements Teaching Plato in Palestine is part intellectual travelogue, part plea for integrating philosophy into our personal and public life. Philosophical toolkit in tow, Carlos Fraenkel invites readers on a tour around the world as he meets students at Palestinian and Indonesian universities, lapsed Hasidic Jews in New York, teenagers from poor neighborhoods in Brazil, and the descendants of Iroquois warriors in Canada. They turn to Plato and Aristotle, al-Ghazali and Maimonides, Spinoza and Nietzsche for help to tackle big questions: Does God exist? Is piety worth it? Can violence be justified? What is social justice and how can we get there? Who should rule? And how shall we deal with the legacy of colonialism? Fraenkel shows how useful the tools of philosophy can be—particularly in places fraught with conflict—to clarify such questions and explore answers to them. In the course of the discussions, different viewpoints often clash. That's a good thing, Fraenkel argues, as long as we turn our disagreements on moral, religious, and philosophical issues into what he calls a "culture of debate." Conceived as a joint search for the truth, a culture of debate gives us a chance to examine the beliefs and values we were brought up with and often take for granted. It won't lead to easy answers, Fraenkel admits, but debate, if philosophically nuanced, is more attractive than either forcing our views on others or becoming mired in multicultural complacency—and behaving as if differences didn't matter at all.

Side Hustle Jan 12 2021 The author of the New York Times Bestseller *THE \$100 STARTUP*, shows how to launch a profitable side hustle in just 27 days. To some, the idea of quitting their day job to start a business is exhilarating. For others, it's terrifying. After all, a job that produces a steady paycheck can be difficult to give up. But in a time when businesses have so little loyalty to employees that the very notion of "job security" has become a punchline, wouldn't it be great to have an additional source of income to fall back on? And wouldn't it be great to make that happen without leaving your day job? Enter the Side Hustle. Based on detailed information from hundreds of case studies, Chris Guillebeau provides a step-by-step guide that anyone can use to create and launch a profitable project in less than a month. Designed for the busy and impatient, this plan will have you generating income immediately, without the risk of throwing yourself head first into the world of entrepreneurship. Whether you just want to make some extra money, or start something that may end up replacing your day job entirely, the side hustle is the new job security. When you generate income from multiple sources, it gives you options, and in today's world, options aren't just nice to have: they're essential. You don't need entrepreneurial experience to launch a

profitable side hustle. You don't need a business degree, know how to code, or be an expert marketer. And you certainly don't need employees or investors. With this book as your guide, anyone can learn to build a fast track to freedom.

The Field of Fight Jul 18 2021 Flynn "lays out [the reasons he believes] why we have failed to stop terrorist groups from growing, and what we must do to stop them. The core message is that if you understand your enemies, it's a lot easier to defeat them--but because our government has concealed the actions of terrorists like bin Laden and groups like ISIS, and the role of Iran in the rise of radical Islam, we don't fully understand the enormity of the threat they pose against us"--Amazon.com.

The Wanderers Oct 01 2022 The city of Malaga is dead, but the promised eternal rest has yet to come to its inhabitants. In the Carranque camp, thirty survivors have built a shelter to keep out the dangers of the world. They fight not only to recover the city, but also the physical and mental degradation of surviving day to day after the pandemic. One of the survivors, Isabel, casts handwritten notes from the penthouse into the dead-filled streets below. But a mad priest, Father Isidro, is the only living soul to find these cries for help. And now he knows precisely where to find the camp and carry out his morbid judgment.

Les Marcheurs T01 Nov 29 2019 La ville de Malaga est morte, mais ses habitants ne connaîtront point le repos éternel. Quelques survivants réfugiés dans un centre sportif s'efforcent de subsister au jour le jour et de reprendre peu à peu le contrôle de la ville. Dans un quartier naguère animé, une jeune femme jette des tracts du haut d'un immeuble, dans l'espoir qu'ils finissent entre les mains d'autres survivants... Mais ses messages s'éparpillent comme autant de feuilles mortes parmi les hordes de cadavres animés qui errent dans les rues. Le père Isidro, lui, connaît la vérité : l'heure du Jugement Dernier a sonné, et le Seigneur s'en vient pour laver les hommes de leurs péchés. Le prêtre erre dans la ville tel un berger menant son troupeau, à la recherche des brebis égarées. Les tracts portés par le vent vont lui permettre de les retrouver... Les rescapés pensent avoir survécu à l'enfer, mais ils se trompent : le pire est à venir.

The Fortune Hunter Jan 24 2022 Empress Elizabeth of Austria, known as Sisi, is the Princess Diana of nineteenth-century Europe. Famously beautiful, as captured in a portrait with diamond stars in her hair, she is unfulfilled in her marriage to the older Emperor Franz Joseph. Sisi has spent years evading the stifling formality of royal life on her private train or yacht or, whenever she can, on the back of a horse. Captain Bay Middleton is dashing, young, and the finest horseman in England. He is also impoverished, with no hope of buying the horse needed to win the Grand National—until he meets Charlotte Baird. A clever, plainspoken heiress whose money gives her a choice among suitors, Charlotte falls in love with Bay, the first man to really notice her, for his vulnerability as well as his glamour. When Sisi joins the legendary hunt organized by Earl Spencer in England, Bay is asked to guide her on the treacherous course. Their shared passion for riding leads to an infatuation that jeopardizes the growing bond between Bay and Charlotte, and threatens all of their futures. *The Fortune Hunter*, a brilliant new novel by Daisy Goodwin, is a lush, irresistible story of the public lives and private longings of grand historical figures.

It is a journey to the dark side of humanity through the experiences of five survivors who must unite their paths in order to face the end of the world.

The Expected One May 28 2022 A deadly political rivalry that ended in two brutal executions...An intricate love triangle that altered the course of history...A religious revolution that changed the world... THE TREASURE... For two thousand years, an undiscovered treasure rested in the rocky wilds of the French Pyrenees. A series of scrolls written in the first century by Mary Magdalene, these startling documents hold the power to redefine the events and characters of the New Testament. Protected by supernatural forces, the priceless cache can only be uncovered by a special seeker, one who has been chosen for the task by divine providence - *The Expected One*. THE CHOSEN ONE... When journalist Maureen Paschal begins the research for a new book, she has no idea that she is stepping into an ancient mystery so complex and dangerous that thousands of people have killed and died for it. As a long buried family scandal comes to light, she can no longer deny her own role in a deadly drama of epic international consequences.

Unconventional Warfare (Special Forces, Book 1) Aug 31 2022 Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war.

Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

The Truth and Other Hidden Things Jul 26 2019 A freshly funny and heartfelt novel about one woman's secret life, the stories she tells, and the thrill and notoriety of being noticed. On the same day Bells Walker learns that her IUD has failed, her husband, Harry, is denied tenure at his Manhattan university. So Bells, Harry, their two adolescent children, and her baby bump move to New York's Hudson Valley, where Harry has landed a job at Dutchess College in the town of Pigkill. When the farm-to-table utopia Bells envisioned is anything but, she turns to the blogosphere. Under the pen name the County Dutchess, she anonymously dishes about life in Pigkill, detailing the activities of hypercompetitive parents and kombucha-drinking hipsters. Suddenly, Bells has a place to say all the things she's been secretly thinking about being a wife and mother. As Bells turns the focus of her blog on her new neighbors, her readership continues to grow, but her scandalous posts hit closer to home: she puts Harry's new job in jeopardy, derails her children's lives, and risks the one real friendship she's built. When Bells uncovers scandals right under her nose, the Dutchess goes viral, and soon everyone is asking, Who is the County Dutchess? Now Bells has to ask herself if it's worth losing the people closest to her to finally feel noticed by everyone else.

Out of This World Jun 28 2022 The twenty-first century has witnessed an explosion of speculative fiction in translation (SFT). Rachel Cordasco examines speculative fiction published in English translation since 1960, ranging from Soviet-era fiction to the Arabic-language dystopias that emerged following the Iraq War. Individual chapters on SFT from Korean, Czech, Finnish, and eleven other source languages feature an introduction by an expert in the language's speculative fiction tradition and its present-day output. Cordasco then breaks down each chapter by subgenre--including science fiction, fantasy, and horror--to guide readers toward the kinds of works that most interest them. Her discussion of available SFT stands alongside an analysis of how various subgenres emerged and developed in a given language. She also examines the reasons a given subgenre has been translated into English. An informative and one-of-a-kind guide, *Out of This World* offers readers and scholars alike a tour of speculative fiction's new globalized era.

Authoritarianism and the Elite Origins of Democracy Jun 04 2020 This book argues that - in terms of institutional design, the allocation of power and privilege, and the lived experiences of citizens - democracy often does not restart the political game after displacing authoritarianism. Democratic institutions are frequently designed by the outgoing authoritarian regime to shield incumbent elites from the rule of law and give them an unfair advantage over politics and the economy after democratization. *Authoritarianism and the Elite Origins of Democracy* systematically documents and analyzes the constitutional tools that outgoing authoritarian elites use to accomplish these ends, such as electoral system design, legislative appointments, federalism, legal immunities, constitutional tribunal design, and supermajority thresholds for change. The study provides wide-ranging evidence for these claims using data that spans the globe and dates from 1800 to the present. Albertus and Menaldo also conduct detailed case studies of Chile and Sweden. In doing so, they explain why some democracies successfully overhaul their elite-biased constitutions for more egalitarian social contracts.

Origin Nov 21 2021 Robert Langdon, Harvard professor of symbology, arrives at the ultramodern Guggenheim Museum Bilbao to attend the unveiling of a discovery that "will change the face of science forever." The evening's host is Edmond Kirsch, a forty-year-old billionaire and futurist, and one of Langdon's first students. But the meticulously orchestrated evening suddenly erupts into chaos, and Kirsch's precious discovery teeters on the brink of being lost forever. Facing an imminent threat, Langdon is forced to flee. With him is Ambra Vidal, the elegant museum director who worked with Kirsch. They travel to Barcelona on a perilous quest to locate a cryptic password that will unlock Kirsch's secret. Navigating the dark corridors of hidden history and extreme religion, Langdon and Vidal must evade an enemy whose all-knowing power seems to emanate from Spain's Royal Palace. They uncover clues that ultimately bring them face-to-face with Kirsch's shocking discovery...and the breathtaking truth that has long eluded us.

The Tea-planter's Daughter Dec 31 2019 Oday is Julia Clockhouse's twenty-fifth birthday. Her long-suffering Hindu servants are frantically trying to organize a party for her, but it's hard to do so amid the havoc wreaked by her wild spirit. They think she is possessed. Daughters of colonial tea-planters shouldn't have souls that escape their bodies, move objects with their minds, hear tongueless yogis speak. Julia Clockhouse does. As the day passes and the chaos mounts in the kitchen, Julia listens desperately for the return of her husband. Ben may have married her on the orders of her domineering father, but he had come to love her; together they had found the happiness they missed in childhood. But by the time the party guests are tumbling in from the rising fury of the monsoon Ben has still not come.

The Cain Prophecy (Lilitu Trilogy Book 3) Feb 22 2022 Far out in the desert, a superhuman assassin known only as Cain is using blood money to finance the excavation of an artifact as old as the earth itself. CIA operative Gabrielle "Gabe" Lincoln has a very short time to learn the secret of Cain's power--or soon the earth and everyone in it will be annihilated.

The Leper King Oct 21 2021 *The Leper King* is a story of authentic history and imaginative fantasy interwoven with faith and love, war and magic set amidst the turbulent times of the Crusades. Upon the premature death of his father, BALDWIN IV, stricken with leprosy from a young age, ascends to the throne of Jerusalem at the age of thirteen. Immediately, enemies threaten his reign as war looms with the great leader of Islam, SALEHDIN. Guided by his trusted friend and Chancellor, Archbishop WILLIAM of Tyre, the young leper sets out to prove himself worthy of the crown, despite the political intrigues

of his own High Court. Among those at Court with whom he must contend are his recently returned mother, AGNES de Courtenay, a grasping woman of immoral character, and his sister, SIBYLLA, who comes to Court after spending most of her life shut away from the world in a convent to marry a Western lord against her will. Being a minor, Baldwin must submit to the Regency of his much older cousin, RAYMOND III of Tripoli; but the young king chaffs beneath the Regents authority, longing to put it behind him so he can pursue his own course of action against the enemy. While Raymond continually argues for peace with the Muslims, Baldwin and the new lord of Kerak, REYNALD de Chtillon, hope to bring the Sarrazins to war before the sultans power grows too strong to push back. Unbeknownst to the king and the lords of Outremer, an old and secret cabal of heretic conspirators known only as the Order of Sion led by one, AMALRIC de Lusignan, that seeks to gain control of the kingdom. Their purpose is to proclaim a new form of Christianity with Jherusalem as its ecclesiastical seat of power in opposition to Rome and to crown a sacred king of their own making. That sacred king is none other than Amalrics brother, GUION de Lusignan, whom they claim is a blood descendant of Jhsu Christ. In this conspiracy, two influential men of the kingdom aid them: HERACLIUS, Archbishop of Caesarea and OTHON de Saint-Amant, Master of the famed warrior-monks, the Knights Templar. Saint-Amant, however, is a deeply conflicted man who begins to question how Sion, and the secretive master he reluctantly follows, is manipulating him and his Order. With Agnes diseased son crowned king, it isnt long before Lusignan draws her into the intrigues of the conspiracy as well with the belief she can protect her son. Seeking divine guidance in the Church of the Holy Sepulcher in the aftermath of battle, Baldwin meets, by chance, an elderly woman who thanks him for a simple act of his kindness. He is astonished, though, when she casts aside her cloak and disguise, revealing to him that she is MARY MAGDALEN, a beautiful and immortal woman of Faerie who vows to guide and befriend him. Only later does she tell him that his leprosy is not the result of disease, but of a magic spell cast by an unseen enemy; a spell that not only devours the kings life, but also becomes the enemys own undoing. So begins a tale of history and fantasy, in which a young king must determine whether his faith or fate will guide him in the defense of his fragile kingdom.
