*Poems* Jan 15 2021 Tagore S English Writings Originals And Translations Have Not Received The Attention That They Deserve. The Purpose Of This Edition Is To Make The English Writings Of Tagore Available To The Widest Possible Range Of Readers Interested In The Writings Of Tagore All Over The World, With Just The Bare, Minimum Information Necessary For Appreciating The Writings, And Leave The Critical Assessment To The Readers Themselves. There May Be Two Possible Reasons For The Neglect Of Tagore S English Writings. Firstly, Tagore S Prolific Output, Shakespearean Felicity And Protean Plasticity As A Bengali Poet, Who, Though Well-Versed In English, Chose To Write In The Medium Of His Mother Tongue For Nearly The First Fifty Years Of His Life, And There Is Hardly Any Literary Form That He Did Not Touch Upon And Turn Into Gold. His Creative Genius Found Expression In Poems, Plays, Novels, Essays, Short Stories, Satirical Pieces, Textbooks For Children, And Songs Of All Kinds. The Only Literary Form That He Did Not Try Is Epic. But In His Long, Eventful And Creative Eighty Years Of Life He Virtually Lived An Epic. It Is Largely Due To His Mighty Stature As A Bengali Poet That Nobody Really Bothered About His English Writings And His Own Translations Of His Own Writings. Secondly, It Is Owing To The Supposedly Poor Quality Of His Translations Subsequent To The Translation Of Gitanjali. It Was Only After Tagore Received The Nobel Prize For Literature In 1913 That There Was A Growing Demand For His Writings In The West, And As Tagore Was Not Apparently Satisfied By The Translations That Others Mainly His Admirers Made, He Began To Translate His Writings Himself. But The Tremendous Haste With Which He Had To Translate, Possibly Affected The Quality Of Translations. Come What May, The Point Is Whether Tagore S English Translations Are Good Or Bad, Whether The Translation Furthered His Reputation Or Damaged It, Is Immaterial. The Fact Of The Matter Is That They Are His, And His Own Translation Of Whatever Quality It May Be Is More Valuable To A Tagore Lover Than The Best Translation Made By Somebody Else, As Van Gogh S One Original Single Scratch Is More Valuable Than The Best Possible Copy By Some Other Artist. The Value Of Tagore S English Writings Lies Here : They Constitute An Important Part Of His Total Oeuvre, Add A New Magnificent Dimension To It And Offer Us A Glimpse Into The Mystique Of The Creative Anxiety That Could Have Haunted Even The Greatest Writer Of The Twentieth Century, About His Possible Reception In An Alien Culture.

**The Gardener** May 19 2021

Farewell My Friend Feb 02 2020 The original Bengali novel Shesher Kavita (lit. Last Poem) was published in 1929. The author draws an amusing picture of an ultra-modern Bengali intellectual whose Oxford education, while giving him a superiority complex, has induced in him a craze for conscious originality which results in a deliberate and frivolous contrariness to all accepted opinion and convention. His aggressive self-complacency, however, receives a shock when as the result of an accidental meeting he falls in love with, and wins in return the heart of, a quite different product of modern culture – a highly educated girl of fine sensibility and deep feelings. This love being more or less genuine and different from his previous experience of coquetry, releases his own submerged depth of sincerity, which he finds hard to adjust to the habits of sophistry and pose, practised so long. In the process he manages to strike a new romantic attitude. The struggle makes of him a curiously pathetic figure – one who is being worked against his grain. The tragedy is understood by the girl, who releases him from his troth and disappears from his life. The last poem which she addresses to her lover gives evidence of the depth of feeling of which she was capable.

**Relationships** Jul 09 2020 "This is the fifth volume of the Oxford Tagore Translations, and the first novel to be included in the series. *Relationships* (Jogajog) was serialized nearly eighty years ago, and is set in the nineteenth century; but its analysis of human relations and personalities is still relevant. The novel presents a critical evaluation of the Bengali bourgeoisie, an undertaking in which Tagore's own emotional and ideological investments are critically involved." "Tagore intended *Relationships* to be a family history of two families over three generations, though the design was never completed. The Ghoshals and the Chatterjees are locked in a bitter feud over trivial issues of pride and a deeper incompatibility of values. Madhusudan Ghoshal, whose family has lost its former social standing, becomes a wealthy man through his own efforts, buys up the Chatterjees' debts, and sends a proposal for the hand of Kumudini, the last unmarried daughter of the Chatterjee family. The marriage tie, and Kumudini herself, become instruments used by Madhusudan to impress and insult the Chatterjees. The plot contrasts the social fortunes of a decaying aristocracy with those of a rising bourgeoisie, while focusing on the sexual and moral frustrations of domesticity."--BOOK JACKET.

**The Home and the World** Dec 14 2020 From the winner of the Nobel Prize in Literature Set on a Bengali noble's estate in 1908, this is both a love story and a novel of political awakening. The central character, Bimala, is torn between the duties owed to her husband, Nikhil, and the demands made on her by the radical leader, Sandip. Her attempts to resolve the irreconcilable pressures of the home and world reflect the conflict in India itself, and the tragic outcome foreshadows the unrest that accompanied Partition in 1947. ## Stray Birds Aug 29 2019

Of Myself Dec 26 2021 In the great Bengali poet's autobiographical writings we discover what his translators describe as a heart of love, a mind at its service that can cut like a knife, and in some sense the spirit of a child.' The six prose pieces, centering on the poet's quest, were composed at landmark moments during the second half of his life and published posthumously. At each point he looks back on a long creative journey. Here in their first English translation, the essays offer an insight into the intellectual and spiritual world of a twentieth-century genius. Rabindranath Tagore (1861-1941) became the first non-Westerner to win the Nobel Prize for Literature in 1913. He was poet and writer of fiction, composer and artist and playwright, educationalist and reformer. Among writers who translated his work were Gide, Neruda, Pasternak and Akhmatova. His world tours featured debates with figures as diverse as his friend and admirer Gandhi, Einstein, Ezra Pound and H.G. Wells. The national anthems of both India and Bangladesh are Tagore's compositions. Devadatta Joardar (born 1965) is a resident of Calcutta and a Bengali scholar. He works as an engineer but his interests take him into other fields. He occasionally writes for English-language dailies in India. Born in London in 1943, Joe Winter taught English before taking early retirement. He has lived in Calcutta since 1994. Anvil has published his translations of Rabindranath Tagore's Song Offerings (Gitajali), his selection of poems by Jibanananda Das, Naked Lonely Hand and Das's collection of sonnets Bengal the Beautiful (Rupasi Bangla), and his own Calcutta poems Guest and Host.

Tagore Omnibus Aug 10 2020 Awarded the Nobel Prize for Literature in 1913, Rabindranath Tagore was India's leading litterateur of the early twentieth century. Tagore was one of the country's pioneering novelists, keen to experiment with form and bold in his choice of subjects. His novels are remembered for their innovative narrative structures, profound insights into human relationships, and evocatively lyrical language. This collector's edition of Rabindranath Tagore's novels in English translation brings together the writer's best-known novels in two omnibus volumes. The first volume features three novels—Chokher Bali, Ghare Baire and Yogayog—and two novellas: Chaturanga and Malancha. Chokher Bali (A Grain of Sand) is a classic exposition of an extramarital affair that takes place within the confines of a joint family. Asha, the simple, demure wife of the rich, flamboyant Mahendra, befriends Binodini, a vivacious young widow who comes to live with them; but both Mahendra and Binodini betray Asha's trust and elope, leaving the marriage in ruins. Set against the backdrop of the Partition of Bengal by the British in 1905, Ghare Baire (Home and the World) is also the tale of a triangular relationship: between the liberal-minded zamindar Nihilesh, his educated and sensitive wife Bimala, and Sandip, Nihilesh's friend, a charismatic revolutionary who Bimala becomes attracted to. Chaturanga (Quartet) traces the philosophical and emotional developments between Sachish, a brilliant young atheist who turns ascetic after the untimely death of his mentor, his friend Sribilash, and Damini, a young widow sheltered by the guru Lilananda, who Sachish and Sribilash become devotees of. Set in the historical context of the decline of the landed aristocracy in Bengal and the emergence of the entrepreneur class, Yogayog (Nexus) is the tale of Kumudini, the daughter of a cultured family that has fallen on bad times, who is torn between her loyalties to Madhusudan, her crass and self-serving husband, and Bipradas, her artistic and compassionate brother, as she struggles desperately to find an identity for herself. Finally, Malancha (The Garden) features the loving but childless couple Aditya and Neerja whose calm domestic world is shattered when Neerja is struck down by illness and suspects Sarala, Aditya's childhood friend, of usurping her place both in Aditya's heart and in their beloved garden. Written in Tagore's inimitable style and full of surprising turns of plot and unforgettable studies of the human psyche, each of these novels, available here in modern, lucid translations, will delight all lovers of classic fiction.
